

## NVTA TransAction Open House September 9, 2025

[The Northern Virginia Transportation Authority \(NVTA\)](#) will host an Open House for firms to receive preliminary information and ask questions prior to an upcoming Request for Proposals (RFP). The RFP will be for a technical services contract which, at a minimum, will include the following in the scope of work:

- **TransAction Update:** TransAction is updated every five years to identify regionally significant transportation solutions to address current and future transportation needs throughout the region. The TransAction update will be used as a guide for NVTA's future funding programs and projects. The current TransAction Plan was adopted in December 2022. Visit [this link](#) to learn more.
- **Six Year Program (SYP) Update:** NVTA issues a Call for Regional Transportation Projects every two years to initiate an update to its SYP. Project recommendations are based on a comprehensive project evaluation process comprised of quantitative and qualitative components, and public comment. Visit [this link](#) to learn more.
- **Other technical services as needed.**

The selected consultant team will provide technical services including multimodal transportation planning and modeling, cost estimation, data analytics, GIS, market research, public engagement, website and social media production/assistance, and reporting. The period of performance of the technical services contract is expected to be five years.

**What:** Non-mandatory consultant briefing, including a presentation from NVTA followed by discussion opportunities.

**When:** 10:00 a.m. - 12:00 p.m. on September 9, 2025

**Where:** NVTA's offices: 2600 Park Tower Dr., Suite 601, Vienna, VA 22180
