# Vision, Goals and Core Values

“Northern Virginia will plan for, and invest in, a safe, equitable, sustainable, and integrated multimodal transportation system that enhances quality of life, strengthens the economy, and builds resilience.”

## Goals:

What we want to achieve

- Enhance Mobility
- Increase Accessibility
- Improve Resiliency

**Core Values:**  
How we achieve the goals

- Equitable
- Sustainable
- Safety

*Core Values are associated with multiple goals, objectives, and performance measures.*

# TransAction Plan Document & Project List

**TransAction is a geographically and fiscally unconstrained, needs-based document.** TransAction itself does not recommend or prioritize any projects or modes of transportation.

- **429** Total Projects
- **111** New projects
- Net increase of **77** projects
- Total estimated cost = **\$75.7B**
  
- **26** Projects include elements outside of NoVA
  - Transit service to neighboring jurisdictions
  - Infrastructure improvements in other jurisdictions
  - Extraterritorial cost = **\$30B**
