## NORTHERN VIRGINIA TRANSPORTATION AUTHORITY

## **MEMORANDUM**

**FOR:** Chair Phyllis J. Randall and Members

Northern Virginia Transportation Authority

**FROM:** Michael Longhi, Chief Financial Officer

**DATE:** October 7, 2021

**SUBJECT:** Monthly Revenue Report

**1. Purpose:** To update the Northern Virginia Transportation Authority on monthly revenue receipts and 30% funds distributed to member localities.

**2. Background:** The attached reports reflect funding received and distributed through FYE June 30, 2021.

## 3. Comments:

## a. FY2021 Revenues (Attachment A)

- i. The Authority has received approximately \$348.4 million through the June 30, 2021 transfers and revenue accruals from the Commonwealth.
- ii. This has exceeded the COVID-19 reduced revenue projections for FY2021 by \$96.9 million.
- iii. The Authority has received the \$20 million Northern Virginia District Transfer; \$26.3 million in Regional Congestion Relief Fees; \$288.7 million in Sales Tax Receipts and a \$13.4 million transfer from the Interstate Operations and Enhancement Program (IOEP) formerly referred to as I-81.
- iv. Attachment A shows a 32.3% positive variance between the budgeted sales tax receipts compared to the actual sales tax receipts reflecting a much smaller impact from the COVID Pandemic than originally projected, due in part to the taxation of internet sales.
- v. The actual FY2021 Regional Congestion Relief Fees collected (Grantor's Tax) for the first year of this reinstated revenue was more than double the FY2021 budgeted amount. The steep increase in most residential property values combined with a concurrent increase in the volume of property transfer combined to drive this revenue higher than originally anticipated. Due to the reduced rate for the majority of the fiscal year and the unknown impact of the COVID-19 Pandemic on commercial real estate in the long term, no budget adjustment was put forth during the fiscal year.
- vi. The Regional Congestion Relief Fee was increased to of \$0.10/100 effective for transactions beginning May 1, 2021.

## b. FY2021 Distribution to localities (Attachment B)

- i. All member jurisdictions completed the required annual HB2313 certification to receive FY2021 Local Distribution Funds (30%).
- ii. All Local Distribution funds for FY2021 have been distributed to member jurisdictions.
- iii. Member jurisdictions received a total of \$104.6 million in Local Distribution Funds, approximately \$29 million more than anticipated in the FY2021 Revenue Projections.

## c. FY2015 to FY2021 Year over Year Revenue Comparison (Attachment C).

i. This chart reflects a month-to-month comparison of sales tax revenue and a year-to-year comparison of fiscal year to date revenues received and accrued as of June 30, 2021.
