("Recipient Entity").

WITNESSETH

WHEREAS, NVTA is a political subdivision of the Commonwealth of Virginia created by the Northern Virginia Transportation Authority Act ("the NVTA Act"), Chapter 25 of Title 33.2 of the Code of Virginia, as amended;

WHEREAS, Section 33.2-2500(4) of the Code of Virginia authorizes NVTA to enter into project agreements with certain statutorily designated entities for the provision of transportation facilities and services to the area embraced by NVTA;

WHEREAS, Section 33.2-2509 of the Code of Virginia authorizes NVTA to use funds from a fund established pursuant to that Code section (the "NVTA Fund") in order to assist in the financing, in whole or in part, of certain regional transportation projects in accordance with Code Section 33.2-2510;

WHEREAS, the NVTA Fund provides for the deposit therein of certain dedicated revenues and other funds appropriated by the Virginia General Assembly;

WHEREAS, Section 33.2-2510 of the Code of Virginia authorizes the use of funds from the NVTA Fund and the use of proceeds from NVTA debt issuances ("NVTA Bond Proceeds") to be used by NVTA solely for transportation purposes benefitting those counties and cities embraced by NVTA;

WHEREAS, the Project set forth and described on Appendix A to this Agreement ("the Project") satisfies the requirements of Virginia Code Section 33.2-2510;

WHEREAS, the Project is to be financed, as described in Appendix B, in whole or in part, by funds from the NVTa Fund and/or from NVTa Bond Proceeds, is located within a locality embraced by NVTa's geographical borders, or is located in an adjacent locality, but only to the extent that any such extension is an insubstantial part of the Project and is essential to the viability of the Project within the localities embraced by NVTa;

WHEREAS, _____ City of Alexandria _____ formally requested that NVTa provide funding to the Project by timely submitting an application for NVTa funding in response to NVTa's call for projects;

WHEREAS, NVTa has reviewed _____ City of Alexandria _____'s application for funding and has approved _____ City of Alexandria _____'s administration and performance of the Project's described scope of work;

WHEREAS, based on the information provided by _____ City of Alexandria _____, NVTa has determined that the Project complies with all requirements of the NVTa Act related to the use of moneys identified in Virginia Code Sections 33.2-2510(A),(C)1 and all other applicable legal requirements;

WHEREAS, the funds to be provided by NVTa described in Appendix B have been duly authorized and directed by _____ City of Alexandria _____ to finance the Project;

WHEREAS, NVTa agrees that _____ City of Alexandria _____ will design and/or construct the Project or perform such other specific work for the Project and _____ City of Alexandria _____ agrees that it will perform such work on the terms and conditions set forth in this Agreement and the Appendices appended thereto;

WHEREAS, both parties have concurred in the _____ City of Alexandria _____'s administration, performance, and completion of the Project on the terms and conditions set forth in this Agreement and its Appendices and in accordance with all applicable federal, state, and local laws and regulations; and

WHEREAS, NVTa's governing body and _____ City of Alexandria _____'s governing body have each authorized that their respective designee(s) execute this agreement on their respective behalf(s) as evinced by copies of each such entity's clerk's minutes which are appended hereto as Appendix E;.

NOW THEREFORE, in consideration of the promises made mutual covenants, and agreements contained herein, the parties hereto agree as follows:

A. Recipient Entity's Obligations

City of Alexandria shall:

- I. Complete or perform all said work as described in Appendix A, advancing such work diligently and ensuring that all work is completed in accordance with all applicable federal, state, and local laws and regulations, and all terms and conditions of this Agreement.
2. Ensure that all work performed or to be performed under this Agreement is in accordance with the Project Description Sheets attached to Appendix A and complies with Va. Code Ann. Sections 33.2-2510(A), (C)1.
3. Perform or have performed, and remit all payment requisitions and other requests for funding for design and engineering, including all environmental work, right-of-way acquisition, construction, contract administration, testing services, inspection services, or capital asset acquisitions for the Project, as is required by this Agreement and that may be necessary for completion of the Project.
4. Not use the NVT A funds specified on Appendix B to pay any Project cost if the NVT A Act does not permit such Project cost to be paid with NVT A funds.
5. Recognize that, if the Project contains "multiple phases" (as such "multiple phases" are defined for the Project on Appendix A), for which NVT A will provide funding for such multiple phases (as set forth on Appendix B), NVT A may not provide funding to City of Alexandria to advance the Project to the next phase until the current phase is completed. In any circumstance where City of Alexandria seeks to advance a Project to the next phase using NVT A funds, City of Alexandria shall submit a written request to NVT A's Chief Executive Officer ("CEO") explaining the need for NVT A's funding of an advanced phase. NVT A's CEO will thereafter review the circumstances underlying the request in conjunction with Appendix B and NVT A's current and projected cash flow position and make a recommendation to NVT A whether to authorize the requested advance phase funding. Nothing herein, however, shall prohibit City of Alexandria from providing its own funds to

advance a future phase of the Project and from requesting reimbursement from NVTa for having advance funded a future phase of the Project. However, City of Alexandria further recognizes that NVTa's reimbursement to City of Alexandria for having advance funded a Project phase will be dependent upon NVTa's cash flow position at the time such a request for reimbursement is submitted and to the extent that any such advanced funding is consistent with Appendix B.

6. Acknowledge that NVTa's CEO will periodically update NVTa's project cash flow estimates with the objective toward keeping those estimates accurate throughout the life of the Project. City of Alexandria shall provide all information required by NVTa so as to ensure and facilitate accurate cash flow estimates and accurate updates to those cash flow estimates throughout the life of the Project as described in Appendix B.
7. Provide to NVTa requests for payment consistent with Appendix B and the most recently approved NVTa cash flow estimates that include NVTa's standard payment requisition(s), containing detailed summaries of actual project costs incurred with supporting documentation as determined by NVTa and that certify all such costs were incurred in the performance of work for the Project as authorized by this Agreement. Each payment requisition shall be in substantially the same form as set forth in Appendix C of this Agreement. If approved by NVTa, City of Alexandria can expect to receive payment within twenty (20) days upon receipt by NVTa. Approved payments may be made by means of electronic transfer of funds from NVTa to or for the account of City of Alexandria.
8. Promptly notify NVTa's CEO of any additional project costs resulting from unanticipated circumstances and provide to NVTa detailed estimates of additional costs associated with those circumstances. City of Alexandria understands that it will be within NVTa's sole discretion whether to provide any additional funding to the Project in such circumstances and that NVTa will do so only in accordance with NVTa's approved Project Selection Process and upon formal action and approval by NVTa. City of Alexandria shall timely provide to NVTa a

complete and accurate update to Appendix B, if NVTA approves funding of any additional Project costs for the Project under this Paragraph.

9. Release or return any unexpended funds to NVTA no later than 90 days after final payment has been made to the contractors.
10. Review and acknowledge the requirements of NVTA Resolution No. 14-08 adopted January 23, 2014; to wit that, if applicable to _____ City of Alexandria _____'s Project: a) Prior to any NVTA funds being released for a project that may be part of a larger project, projects, or system undertaken with an extra-territorial funding partner, all such extra-territorial funding partners must commit to pay their appropriate, respective proportionate share or shares of the larger project or system cost commensurate with the benefits to each on a basis agreed upon by the NVTA member localities; b) any such funds released by NVTA for such project will be in addition to the funds that the NVTA member locality is to receive from or be credited with by the extra-territorial funding partner for the project or system; and c) there shall be no funding made available by NVTA until such time as all extra-territorial funding partners for such project or system pay or officially commit to fund their appropriate, respective proportionate shares of such large project or system commensurate with the benefits to each on a basis agreed upon with NVTA.
11. Should _____ City of Alexandria _____ be required to provide matching funds in order to proceed or complete the funding necessary for the Project, _____ City of Alexandria _____ shall certify to NVTA that all such matching funds have been either authorized and/or appropriated by _____ City of Alexandria _____s governing body or have been obtained through another, independent funding source;
12. Maintain complete and accurate financial records relative to the Project for all time periods as may be required by the Virginia Public Records Act and by all other applicable state or federal records retention laws or regulations, unless superseded by the laws that govern _____ City of Alexandria _____ and provide copies of any such financial records to NVTA, free of charge, upon request.

13. Maintain all original conceptual drawings and renderings, architectural and engineering plans, site plans, inspection records, testing records, and as built drawings for the Project for the time periods required by the Virginia Public Records Act and any other applicable records retention laws or regulations, unless superseded by the laws that govern City of Alexandria; and provide to NVTA copies of all such drawings and plans free of charge, upon request.
14. Reimburse NVTA for all NVTA funds (with interest earned at the rate earned by NVTA) that City of Alexandria misapplied or used in contravention of Sections 33.2-2500 *et. seq.* of the Virginia Code (“the NVTA Act”) Chapter 766 of the 2013 Virginia Acts of Assembly (“Chapter 766”), or any term or condition of this Agreement.
15. Name NVTA and its Bond Trustee or require that all City of Alexandria’s contractors name NVTA or its Bond Trustee as an additional insured on any insurance policy issued for the work to be performed by or on behalf of City of Alexandria for the Project and present NVTA with satisfactory evidence thereof before any work on the Project commences or continues.
16. Give notice to NVTA that City of Alexandria may use NVTA funds to pay outside legal counsel services (as opposed to utilizing the services of its own in-house counsel or NVTA’s in-house legal counsel) in connection with the work performed under this Agreement City of Alexandria so as to ensure that no conflict of interest may arise from any such representation.
17. Provide certification to NVTA, that upon final payment to all contractors for the Project, City of Alexandria will use the Project for its intended purposes for the duration of the Project’s useful life. Under no circumstances will NVTA be considered responsible or obligated to operate and/or maintain the Project after its completion.
18. Comply with all requirements of the Virginia Public Procurement Act and other applicable Virginia Code provisions, or local ordinances which govern the letting of public contracts, unless superseded by the laws that govern City of Alexandria.

19. Acknowledge that if the Project is being funded in whole or in part by NVTB Bond Proceeds, comply with the tax covenants attached as Appendix D.
20. Acknowledge that if _____ City of Alexandria _____ expects and/or intends that the Project is to be submitted for acceptance by the Commonwealth into its system that _____ City of Alexandria _____ agrees to comply with the Virginia Department of Transportation's ("VDOT's") "Standards, Requirements and Guidance."
21. Recognize that _____ City of Alexandria _____ is solely responsible for obtaining all permits and permissions necessary to construct and/or operate the Project, including but not limited to, obtaining all required VDOT and local land use permits, applications for zoning approvals, and regulatory approvals.
22. Recognize that if _____ City of Alexandria _____ is funding the Project, in whole or in part, with federal and/or state funds, in addition to NVTB funds and/or NVTB Bond Proceeds that _____ City of Alexandria _____ will need to comply with all federal and Commonwealth funding requirements, including but not limited to, the completion and execution of VDOT's Standard Project Administration Agreement and acknowledges that NVTB will not be a party or signatory to that Agreement; nor will NVTB have any obligation to comply with the requirements of that Agreement.
23. Provide a certification to NVTB no later than 90 days after final payment to the contractors that _____ City of Alexandria _____ adhered to all applicable laws and regulations and all requirements of this Agreement.

B. NVTB's Obligations

NVTB shall:

- I. Provide to _____ City of Alexandria _____ the funding authorized by NVTB for design work, engineering, including all environmental work, all right-of-way acquisition, inspection services, testing services, construction, and/or capital asset acquisition(s) on a reimbursement basis as set forth in this Agreement and as specified in the Project Budget and Cash Flow contained in

Appendix B to this Agreement or the most updated amendment thereto, as approved by NVTA.

2. Assign a Program Coordinator for the Project. NVTA's Program Coordinator will be responsible for monitoring the Project on behalf of NVTA so as to ensure compliance with this Agreement and all NVTA's requirements and with overseeing, managing, reviewing, and processing, in consultation with NVTA's CEO and its Chief Financial Officer ("CFO") , all payment requisitions submitted by _____ City of Alexandria _____ for the Project. 3. Route to NVTA's assigned Program Coordinator all _____ City of Alexandria _____'s payment requisitions, containing detailed summaries of actual Project costs incurred which are in substantially the same form as shown on Appendix C submitted to NVTA for the Project. After submission to NVTA, NVTA's Program Coordinator will conduct an initial review of all payment requisitions and supporting documentation for the Project in order to determine the submission's legal and documentary sufficiency. NVTA's Program Coordinator will then make a recommendation to the NVTA's CFO and CEO whether to authorize payment, refuse payment, or seek additional information from _____ City of Alexandria _____. If the payment requisition is sufficient as submitted, payment will be made within twenty (20) days from receipt. If the payment requisition is deemed insufficient, within twenty (20) days from receipt, NVTA's Program Coordinator will notify _____ City of Alexandria _____ in writing and set forth the reasons why the payment requisition was declined or why and what specific additional information is needed for processing the payment request. Payment will be withheld until all deficiencies identified by NVTA have been corrected. Under no circumstances will NVTA authorize payment for any work performed by or on behalf of _____ City of Alexandria _____ that is not in conformity with the requirements of the NVTA Act, Chapter 766, or this Agreement.

4. Route all _____ City of Alexandria _____'s supplemental requests for funding from NVTa under Paragraphs A.5 and A.8 of this Agreement to NVTa's CEO. NVTa's CEO will initially review those requests and all supporting documentation with NVTa's CFO. After such initial review, NVTa's CEO will make a recommendation to NVTa's Finance Committee for its independent consideration and review. NVTa's Finance Committee will thereafter make a recommendation on any such request to NVTa for final determination by NVTa.
5. Conduct periodic compliance reviews scheduled in advance for the Project so as to determine whether the work being performed remains within the scope of this Agreement, the NVTa Act, Chapter 766, and other applicable law. Such compliance reviews may entail review of _____ City of Alexandria _____'s financial records for the Project and on -site inspections.
6. Acknowledge that if, as a result of NVTa's review of any payment requisition or of any NVTa compliance review, NVTa staff determines that _____ City of Alexandria _____ has misused or misapplied any NVTa funds in derogation of this Agreement or in contravention of the NVTa Act, Chapter 766 or applicable law, NVTa staff will promptly advise NVTa's CEO and will advise _____ City of Alexandria _____'s designated representative in writing. _____ City of Alexandria _____ will thereafter have thirty (30) days to respond in writing to NVTa's initial findings. NVTa's staff will review _____ City of Alexandria _____'s response and make a recommendation to NVTa's Finance Committee. NVTa's Finance Committee will thereafter conduct its own review of all submissions and make a recommendation to NVTa. Pending final resolution of the matter, NVTa will withhold further funding on the Project. If NVTa makes a final determination that _____ City of Alexandria _____ has misused or misapplied funds in contravention of this Agreement, the NVTa Act, Chapter 766, or other applicable law, NVTa will cease further funding for the Project and will seek reimbursement from _____ City of Alexandria _____ of all funds previously remitted by NVTa (with interest earned at the rate earned by NVTa) which were misapplied or misused by _____ City of Alexandria _____. Nothing herein shall, however, be construed as denying, restricting or limiting the pursuit of either party's legal rights or available legal remedies.

7. Make guidelines available to City of Alexandria to assist the parties in carrying out the terms of this Agreement in accordance with applicable law.
8. Upon recipient's final payment to all contractors, retain copies of all contracts, financial records, design, construction, and as-built project drawings and plans for the Project for the time periods required by the Virginia Public Records Act and as may be required by other applicable records retention laws and regulations.
9. Be the sole determinant of the amount and source of NVTA funds to be provided and allocated to the Project and the amounts of any NVTA funds to be provided in excess of the amounts specified in Appendix B.

C. Term

1. This Agreement shall be effective upon adoption and execution by both parties.
2. City of Alexandria may terminate this Agreement, for cause, in the event of a material breach by NVTA of this Agreement. If so terminated, NVTA shall pay for all Project costs incurred through the date of termination and all reasonable costs incurred by City of Alexandria to terminate all Project related contracts. The Virginia General Assembly's failure to appropriate funds to NVTA as described in paragraph F of this Agreement or repeal of the legislation establishing the NVTA fund created pursuant to Chapter 766 shall not be considered material breaches of this Agreement by NVTA. Before initiating any proceedings to terminate under this Paragraph, City of Alexandria shall give NVTA sixty (60) days written notice of any claimed material breach of this Agreement; thereby allowing NVTA an opportunity to investigate and cure any such alleged breach.
3. NVTA may terminate this Agreement, for cause, resulting from City of Alexandria's material breach of this Agreement. If so terminated, City of Alexandria shall refund to NVTA all funds NVTA provided to City of Alexandria for the Project (including interest earned at the rate earned by NVTA). NVTA will provide City of Alexandria with sixty (60) days written notice that NVTA is exercising its rights to terminate this Agreement and the reasons for termination. request that NVTa excuse _____ City of Alexandria _____ from refunding all funds NVTa provided to _____ City of Alexandria _____ for the Project based upon _____ City of Alexandria _____'s substantial completion of the Project or severable portions thereof; and NVTa may, in its sole discretion, excuse _____ City of Alexandria _____ from refunding all or a portion of the funds NVTa provided to _____ City of Alexandria _____ for the Project. No such request to be excused from refunding will be allowed where _____ City of Alexandria _____ has either misused or misapplied NVTa funds in contravention of applicable law.

4. Upon termination and payment of all eligible expenses as set forth in Paragraph C.3 above, _____ City of Alexandria _____ will release or return to NVTa all unexpended NVTa funds with interest earned at the rate earned by NVTa no later than sixty (60) days after the date of termination.

NVTa's CEO and _____ City of Alexandria _____'s Chief Executive Officer or Chief Administrative Officer shall be authorized to conduct negotiations on behalf of their respective entities. If a resolution of the dispute is reached via a meet and confer dispute resolution method, it shall be presented to NVTa and to _____ City of Alexandria _____'s governing body for formal confirmation and approval. NVTa's Financial Interest in Project Assets _____ City of Alexandria _____ agrees to use the real property and appurtenances and fixtures thereto, capital assets, equipment and all other transportation facilities that are part of the Project and funded by NVTa under this Agreement ("Project Assets") for the designated transportation purposes of the Project under this Agreement and in accordance with applicable law throughout the useful life of each Project Asset. NVTa shall retain a financial interest in the value of each of the of the Project Assets, whether any such Project Asset may have depreciated or appreciated, throughout its respective useful life proportionate to the amount of the cost of the Project Asset funded by NVTa under this

Agreement. In the event that City of Alexandria fails to use any of the Project Assets funded under this Agreement for the transportation purposes as authorized by this Agreement or applicable law throughout its respective useful life, City of Alexandria shall refund to NVTA with interest at the rate earned by NVTA the amount attributable to NVTA's proportionate financial interest in the value of said Project Asset. If City of Alexandria refuses or fails to refund said monies to NVTA, NVTA may recover its proportionate financial interest from City of Alexandria by pursuit of any remedies available to NVTA, including but not limited to NVTA's withholding of commensurate amounts from future distributions of NVTA funds to City of Alexandria.

F. Appropriations Requirements

2. The parties acknowledge that all funding provided by NVTA pursuant to Chapter 766 is subject to appropriation by the Virginia General Assembly. The parties further acknowledge that: (i) the moneys allocated to the NVTA Fund pursuant to Va. Code Ann. Sections 58.1-638, 58.1-802.2, and 58.1-1742 and any other moneys that the General Assembly appropriates for deposit into the NVTA Fund are subject to appropriation by the General Assembly and (ii) NVTA's obligations under this Agreement are subject to such moneys being appropriated for deposit in the NVTA Fund by the General Assembly.

West End Transitway

Northern Segment/Phase 1

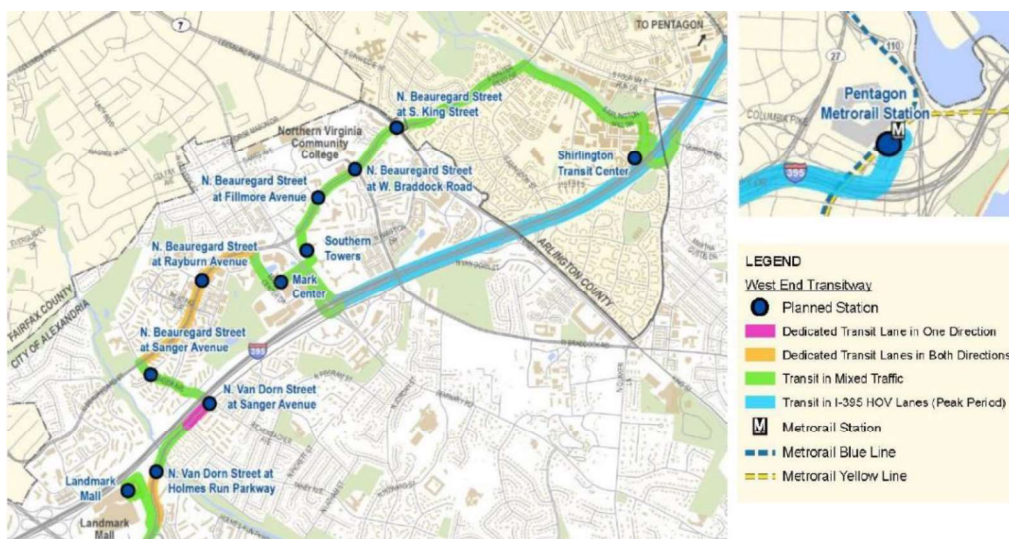

Project Description

The West End Transitway will provide high capacity Bus Rapid Transit (BRT) between the Pentagon in Arlington County and the Landmark Mall in Alexandria, connecting major employment centers, residential neighborhoods, and transit hubs. Capital investments include: rolling stock, construction of stations with amenities (real time bus, shelter, seating, lighting, etc.), installation of Transit Signal Priority (TSP), upgrades to existing traffic signals, dedicated bus lanes and queue jump lanes, and acquisition of right of way (ROW) needed for construction. Once constructed, the plan is to operate two services – Local and Express. Under Phase 1, the Local service will operate between Landmark Mall and the Pentagon, serving the Beauregard and Van Dorn corridors, the Mark Center, Southern Towers, and Shirlington Bus Station in Arlington where the service will access I-395 to the Pentagon. The Express service will operate from Landmark Mall, serving the Van Dorn corridor, a portion of the Beauregard corridor, and the Mark Center where the service will access I-395 at Seminary Road to the Pentagon.

The funds requested in this application are for the first phase of the West End Transitway. The Northern Segment meets the Federal Transit Administration's (FTA) definition of minimal operable segment and will provide transit service not dependent on the Southern Segment (Landmark Mall to Van Dorn Metrorail station). The City of Alexandria intends to pursue implementation of the Southern Segment in later years beyond the timeframe of this SYP. In addition to funds for ROW, Construction, and Capital Asset Acquisition, the City is requesting funds in FY18-FY20 to hire a project manager to coordinate (within City departments and with funding, partner, and public stakeholders) the Design and Construction of the Transitway. This would be a capitalized position within the City's annual budget, specifically for the West End Transitway, and a specific charging code would be set up within the City's financial system so that all staff costs/charges would be toward the West End Transitway project.

NVTA Project Title: West End Transitway: Northern Segment (Phase 1) Status: Pending

Project Schedule & Scope Changes

The original project scope was for full Bus Rapid Transit (BRT) improvements along the northern segment of the transitway (including areas with dedicated transit lanes), between Landmark Mall and the Pentagon. Since then, the Beauregard Town Center area along N. Beauregard Street, previously owned by JBG was sold to Morgan Properties, which does not plan to redevelop for at least five years or more. The project scope is being refined to include a first phase of Transportation System Management (TSM) improvements along the full corridor (Van Dorn Metro to Pentagon) that incorporates the elements of the TSM scenario along with some additional improvements such as Transit Signal Priority (TSP), queue jump lanes, stations, limited pedestrian and bicycle access improvements, rolling stock, and roadway improvements at Van Dorn St at Metro Rd. Dedicated transit lanes along Beauregard and other portions of the corridor will not be designed or constructed at this time. This would be a first step toward improving transit speed and reliability, reducing congestion and building ridership along the entire corridor. The City also received \$57.2 million in FY24 Smart Scale funds toward the implementation of this revised scope.

APPENDIX D-Tax Covenants

TAX COVENANTS (For Bond Funded Projects Only)

The Recipient Entity will not permit more than five percent of the total amount of NVTB Bond Proceeds or the Financed Property to be used directly or indirectly (i) for a Private Business Use or (ii) to make or finance loans to Nongovernmental Persons. Any transaction that is generally characterized as a loan for federal income tax purposes is a "loan" for purposes of this paragraph. In addition, a loan may arise from the direct lending of NVTB Bond Proceeds or may arise from transactions in which indirect benefits that are the economic equivalent of a loan are conveyed, including any contractual arrangement which in substance transfers tax ownership and/or significant burdens and benefits of ownership.

The Recipient Entity agrees not to requisition or spend NVTB Bond Proceeds for any Project Cost not constituting a Capital Expenditure.

Except as may be described in Appendix B, the Recipient Entity neither has on the date of this Agreement nor expects to have after this date any funds that are restricted, segregated, legally required or otherwise intended to be used, directly or indirectly, for the purposes for which the Recipient Entity is receiving NVTB Bond Proceeds.

The Recipient Entity acknowledges that it may have to provide detailed information about the investment of the amount of any requisition unless (i) payments are remitted directly by NVTB to the contractors/vendors or (ii) the Recipient Entity remits payment to the contractors/vendors within five banking days after the date on which NVTB advances the amount of the requisition. NVTB may request the detailed information in order to compute the rebate liability to the U.S. Treasury on NVTB's bonds or other debt financing pursuant to Section 148 of the Internal Revenue Code of 1986, as amended (the "Code").

"Capital Expenditure" means any cost of a type that is properly chargeable to capital account (or would be so chargeable with (or but for) a proper election or the application of the definition of "placed in service" under Treas. Reg. § 1.150-2(c)) under general federal income tax principles, determined at the time the expenditure is paid.

"Federal Government" means the government of the United States and its agencies or instrumentalities.

"Financed Property" means the property financed by the NVTB Bond Proceeds.

"General Public Use" means use of Financed Property by a Nongovernmental Person as a member of the general public. Use of Financed Property by a Nongovernmental Person in a Trade or Business is treated as General Public Use only if the Financed Property is intended to be available and in fact is reasonably available for use on the same basis by natural persons not

engaged in a Trade or Business. Use under arrangements that convey priority rights or other preferential benefits is not use on the same basis as the general public.

"Governmental Person" means any Person that is a state or local governmental unit within the meaning of Section 141 of the Code (or any instrumentality thereof).

"NVTB Bond Proceeds" means, as used herein, the sale proceeds of any NVTB bonds or other debt instrument and the investment earnings on such proceeds, collectively.

"Nongovernmental Person" mean any Person other than a Governmental Person. For the purposes hereof, the Federal Government is a Nongovernmental Person.

"Person" means any natural person, firm, joint venture, association, partnership, business trust, corporation, limited liability company, corporation or partnership or any other entity (including the Federal Government and a Governmental Person).

"Private Business Use" means a use of the NVTB Bond Proceeds directly or indirectly in a Trade or Business carried on by a Nongovernmental Person other than General Public Use. For all purposes hereof, a Private Business Use of any Financed Property is treated as a Private Business Use of NVTB Bond Proceeds. Both actual and beneficial use by a Nongovernmental Person may be treated as Private Business Use under Section 141 of the Code. In most cases, however, Private Business Use results from a Nongovernmental Person having special legal entitlements to use the Financed Property under an arrangement with the Recipient Entity. Examples of the types of special legal entitlements resulting in Private Business Use of Proceeds include (i) ownership for federal tax purposes of Financed Property by a Nongovernmental Person and (ii) actual or beneficial use of Financed Property by a Nongovernmental Person pursuant to a lease, a Service Contract, an incentive payment contract or certain other arrangements such as a take-or-pay or other output-type contract. Private Business Use of the Financed Property may also be established on the basis of a special economic benefit to one or more Nongovernmental Persons even if such Nongovernmental Persons do not have a special legal entitlement to the use of the Financed Property. Any arrangement that is properly characterized as a lease for federal income tax purposes is treated as a lease for purposes of the Private Business Use analysis. An arrangement that is referred to as a management or Service Contract may nevertheless be treated as a lease, and in determining whether a management or service contract is properly characterized as a lease, it is necessary to consider all of the facts and circumstances, including (i) the degree of control over the property that is exercised by a Nongovernmental Person, and (ii) whether a Nongovernmental Person bears risk of loss of the Financed Property. Private Business Use of Financed Property that is not available for General Public Use may also be established on the basis of a special economic benefit to one or more Nongovernmental Persons even if such Nongovernmental Persons do not have a special legal entitlement to the use of the Financed Property. In determining whether special economic benefit gives rise to Private Business Use, it is necessary to consider all of the facts and circumstances, including one or more of the following factors: (i) whether the Financed Property is functionally related or physically proximate to property used in the Trade or Business of a Nongovernmental Person, (ii) whether only a small number of Nongovernmental Persons receive the economic benefit, and

(iii) whether the cost of the Financed Property is treated as depreciable by the Nongovernmental Person.

"Service Contract" means a contract under which a Nongovernmental Person will provide services involving all, a portion or any function of any Financed Property. For example, a Service Contract includes a contract for the provision of management services for all or any portion of Financed Property. Contracts for services that are solely incidental to the primary governmental function or functions of Financed Property (for example, contracts for janitorial, office equipment repair, billing, or similar services) are not included in this definition. Additional contracts not included in this definition are (i) a contract to provide for services by a Nongovernmental Person in compliance with Revenue Procedure 97-13, 1997-1 C.B. 632, as modified by Revenue Procedure 2001-39, I.R.B. 2001-28, (ii) a contract to provide for services by a Nongovernmental Person if the only compensation is the reimbursement of the Nongovernmental Person for actual and direct expenses paid by the Nongovernmental Person to unrelated parties and (iii) a contract to provide for the operations by a Nongovernmental Person of a facility or system of facilities that consists predominately of public utility property (within the meaning of Section 168(i)(10) of the Code), if the only compensation is the reimbursement of actual and direct expenses of the Nongovernmental Person and reasonable administrative overhead expenses of the Nongovernmental Person.

"Trade or Business" has the meaning set forth in Section 141(b)(6)(B) of the Code, and includes, with respect to any Nongovernmental Person other than a natural person, any activity carried on by such Nongovernmental Person. "Trade or Business" for a natural person means any activity carried on by such natural person that constitutes a "trade or business" within the meaning of Section 162 of the Code.
