NORTHERN VIRGINIA TRANSPORTATION AUTHORITY

MEMORANDUM

FOR: Chair Phyllis J. Randall and Members

Northern Virginia Transportation Authority

FROM: Monica Backmon, Chief Executive Officer

DATE: April 14, 2022

SUBJECT: Programming Recommendations of the additional FY2022-2028 Congestion

Mitigation Air Quality (CMAQ) and Regional Surface Transportation Program

(RSTP) Funds.

1. Purpose: To inform Northern Virginia Transportation Authority (NVTA) of Regional Jurisdiction and Agency Coordinating Committee (RJACC) approval of adjustments to the Congestion Mitigation Air Quality (CMAQ) and Regional Surface Transportation Program (RSTP) funds.

2. Background: As of March 12, 2022, the Authority approved recommendations to the Commonwealth Transportation Board (CTB) FY2028 CMAQ/RSTP strawman.

Subsequently, Virginia Department of Transportation (VDOT) provided revisions that **added** \$14,923,098 in CMAQ funds and \$62,554,295 in RSTP funds for the FY2022-2028 period. Working with the Regional Jurisdiction and Agency Coordination Committee (RJACC) and VDOT, NVTA staff identified projects that are already recommended by the NVTA for allocating these additional funds.

On September 11, 2008, the Authority delegated the authority to the Chief Executive Officer and RJACC to approve changes to the Congestion Mitigation and Air Quality (CMAQ) and Regional Surface Transportation Program (RSTP) funding. The RJACC approved the current recommendations at its March 24, 2022, meeting.

VDOT provides the local matches for both the CMAQ and the RSTP funds, provided that the projects utilize the funds within established timelines. For the CMAQ program, the recipient has 24 months to obligate the funds and then 48 months to expend the funds. For the RSTP program, the recipient has 12 months to obligate the funds and 36 months to expend the funds.

These recommended allocations were sent to the CTB for inclusion in the Six Year Improvement Program (SYIP). It is anticipated that the CTB will take action on the SYIP at their June 2022 meeting.
