

Government Center Parkway Extension

NVTA FY2020-2025
SIX YEAR PROGRAM
Updated: 7/15/2020

Project Description

The project will create a new vehicular, pedestrian and bicycle connection between Waples Mill Road and Jermantown Road and parallel to Route 29/Lee Highway and Route 50/Fairfax Blvd. This new roadway will extend the existing portion of Government Center Parkway from Fairfax County into the City of Fairfax, connecting several existing residential and commercial areas. The addition of this new grid component will also help prepare for a future roadway connection in the Kamp Washington area across Jermantown Road. The project includes construction of a three lane road with a center median, turn lanes, concrete sidewalks and on-road bicycle lanes. The funding requested from NVTA is the last money needed to complete the construction funding for this project. The City has already completed the design public hearing and is awaiting final funding before proceeding to right of way.

Primary Mode(s)

Secondary Mode(s)

Application Number	CFX-014
SPA Number	
TransAction ID Number	136
Submitting Jurisdiction/Agency	City of Fairfax
Location	Between Waples Mill Rd and Jermantown Rd.
Requested NVTA Funds	\$3,540,000
NVTA Funds Approved	\$3,540,000
Previous NVTA Funds Received	\$0
Total Cost to Complete Project	\$7,500,181

Project Location

Project Milestone

	Earlier	FY21	FY22	FY23	FY24	FY25	FY26	FY27	Beyond
Study
