**ESTABLISHMENT OF TRUST**

(b) In order to provide for the payment of the principal of and the premium, if any, and interest on each Series of Bonds issued hereunder, and to secure the performance of all of the obligations of NVTA with respect to such Series, this Master Indenture, and the Related Series Supplement, subject to the terms hereof and thereof, NVTA pledges and grants to the Trustee with respect to such Series (and to such Series only) the money and investments held in the Related Project Fund (if any), Bond Debt Service Fund and Debt Service Reserve Fund.

**Section 2.2 Bond Credit Facility.** Any Bond Credit Facility which is given to secure some, but not all, of the Bonds, together with money drawn or paid under it, shall be held by the Trustee solely as security for the Bonds of the Series to which such Bond Credit Facility is Related. Neither such Bond Credit Facility nor any money drawn or paid under it will secure the payment of any other Series of Bonds. The status of the Bond Credit Facility as a bond or a Subordinate Obligation or otherwise will be provided for in the Related Series Supplement.

**ARTICLE III**

**GENERAL TERMS AND CONDITIONS OF BONDS**

**Section 3.1 Authority for Master Indenture.** This Master Indenture has been executed and delivered under a resolution adopted by NVTA on July 24, 2013. NVTA has ascertained that the execution of and the transactions contemplated by this Master Indenture are in furtherance of both NVTA's purposes and the exercise of the powers granted to NVTA by the NVTA Act.
Section 3.2 Indenture Constitutes Contract. In consideration of the Owners' purchase and acceptance of the Bonds, the provisions of this Master Indenture and the Supplemental Indentures shall be a part of NVTA's contract with the Owners and shall be deemed to be and shall constitute a contract among NVTA, the Trustee and the Owners from time to time of the Bonds.

Section 3.3 Form and Details of Each Series of Bonds. The forms, details and terms of each Series of Bonds, the funds and accounts to be established with respect to such Series, and such other matters as NVTA may deem appropriate shall be set forth in the Related Series Supplement.

Section 3.4 Obligation of Bonds. This Master Indenture creates a continuing pledge and lien to secure the full and final payment of the principal of and premium, if any, and interest of each Series of Bonds. The Bonds of each Series are limited obligations of NVTA payable solely from the revenues, money and other property pledged by this Master Indenture and the Related Series Supplement. Each Bond shall contain on its face a statement to the effect that (i) it shall not be a debt of the Commonwealth or any political subdivision thereof (including any Member Locality) other than NVTA, and (ii) it shall not constitute indebtedness within the meaning of any debt limitation or restriction, except as may be provided under the Act.

Section 3.5 Payment of Bonds. The principal of and premium, if any, and interest on Bonds of each Series shall be payable in lawful money of the United States of America, but only from the revenues, money or property pledged to such payment pursuant to this Master Indenture and the Related Series Supplement. The principal of and premium, if any, and interest on Bonds of each Series shall be payable at such place or places and in such manner as specified in the Related Series Supplement. Unless otherwise provided in the Related Series Supplement, if a Payment Date for any Bonds of any Series or the date fixed for the redemption of any such Bonds is not a Business Day, then payment of the principal and premium, if any, and interest need not be made on such date, but may be made on the next succeeding date which is a Business Day, and if made on such next succeeding Business Day no additional interest will accrue for the period after such Payment Date or date fixed for redemption.

Section 3.6 Execution of Bonds. (a) Except as may be otherwise provided in the Related Series Supplement, all of the Bonds of each Series shall be executed on behalf of NVTA by, or bear the facsimile signature of the Chairman or Vice Chairman of NVTA, and the corporate seal of NVTA (which may be a facsimile) will be affixed (or imprinted or engraved if a facsimile) thereon and attested by the manual or facsimile signature of the Executive Director of NVTA.

(b) If any of the officers who have signed or sealed any of the Bonds of a Series or whose facsimile signature is on such Bonds ceases to be an officer of NVTA before the Bonds so signed and sealed have been actually authenticated by the Trustee or delivered by NVTA, the Bonds nevertheless may be authenticated, issued and delivered with the same force and effect as though such officer had not ceased to be an officer of NVTA. Any Bond of a Series may be signed and sealed on behalf of NVTA by those Persons who, at the actual date of the execution of the Bond, are the proper officers of NVTA, although at the date of the original issuance of the Bond they were not officers of NVTA.
Section 3.7 Authentication of Bonds. Except as may be otherwise provided in the Related Series Supplement, no Bond of any Series shall be secured by this Master Indenture, entitled to its benefits or be valid for any purpose unless there is endorsed on the Bond the Trustee's certificate or authentication, substantially in the form prescribed by the Related Series Supplement. The Trustee shall authenticate each Bond with the signature of an authorized officer or employee of the Trustee, but it shall not be necessary for the same Person to authenticate all of the Bonds. The Trustee's certificate of authentication on a Bond of any Series issued by NVTA shall be conclusive evidence and the only competent evidence that the Bond has been duly authenticated and delivered under this Master Indenture.

Section 3.8 Registration, Transfer and Exchange. (a) Except as may be otherwise provided in the Related Series Supplement, NVTA shall cause books for the registration and registration for transfer or exchange of the Bonds of each Series to be kept at the designated corporate trust office of the Paying Agent. NVTA appoints the Paying Agent as its registrar and transfer agent to keep such books and to make registrations and registrations of transfer or exchange under such reasonable regulations as NVTA or the Paying Agent may prescribe.

(b) Upon surrender for registration of transfer or exchange of any Bond at the designated corporate trust office of the Paying Agent, NVTA shall execute and the Paying Agent shall authenticate and deliver in the name of the transferee or transferees a new Bond or Bonds of like date, tenor and of any authorized denomination for the aggregate principal amount which the Owner is entitled to receive, subject in each case to such reasonable regulations as NVTA or the Paying Agent may prescribe. All Bonds presented for registration of transfer, exchange, redemption or payment shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in form and substance reasonably satisfactory to NVTA and the Paying Agent, duly executed by the Owner or by the Owner's duly authorized attorney-in-fact or legal representative. No Bond may be registered to bearer.

(c) New Bonds of any Series delivered upon any transfer or exchange shall be valid obligations of NVTA evidencing the same debt as the Bonds surrendered and shall be secured by this Master Indenture and the Related Series Supplement and entitled to their benefits to the same extent as the Bonds surrendered. Registrations of transfers or exchange will be made by the Paying Agent within such time periods as are customary in the municipal securities industry.

Section 3.9 Charges for Exchange or Transfer. Except as provided in Section 3.11, no charge shall be made for any registration of transfer or exchange of Bonds, but NVTA or the Paying Agent may require payment by the Owner of the Bonds of a sum sufficient to cover any applicable tax or other governmental charge that may be imposed.

Section 3.10 Temporary Bonds. (a) Until Bonds of any Series in definitive form are ready for delivery, NVTA may execute, and upon its request in writing, the Trustee shall authenticate and deliver in lieu of definitive Bonds and subject to the same provisions, limitations and conditions, one or more printed, lithographed or typewritten Bonds in temporary form, in substantially the form set forth in the Related Series Supplement, with appropriate omission, variations and insertions.
(b) Except as may be otherwise provided in the Related Series Supplement, NVTA shall, without unreasonable delay, prepare, execute and deliver to the Paying Agent, and, upon the presentation and surrender of the Bond or Bonds of any Series in temporary form to the Paying Agent at its designated corporate trust office, the Paying Agent shall authenticate and deliver in exchange, a Bond or Bonds of the same maturity and Series in definitive form, in the authorized denominations, and for the same aggregate principal amount as the Bond or Bonds in temporary form surrendered. Such exchange shall be made at NVTA’s expense.

Section 3.11 Mutilated, Lost, Stolen or Destroyed Bonds. (a) If any Outstanding Bond is mutilated, lost, stolen or destroyed, NVTA shall execute, and, upon NVTA’s request in writing, the Paying Agent shall authenticate and deliver, a new Bond of the same Series, principal amount and maturity and of like tenor as the mutilated, lost, stolen or destroyed Bond in exchanged and substitution for a mutilated Bond, or in lieu of and substitution for a lost, stolen or destroyed Bond.

(b) Application for exchange and substitution of mutilated, lost, stolen or destroyed Bonds shall be made to the Paying Agent at its designated corporate trust office and the applicant shall furnish to NVTA and the Paying Agent security or indemnification to their satisfaction. In every case of loss, theft or destruction of a Bond, the applicant shall also furnish to NVTA and the Paying Agent evidence to their satisfaction of the loss, theft or destruction and of the identity of the applicant. In every case of mutilation of a Bond, the applicant shall surrender the Bond so mutilated for cancellation.

(c) Notwithstanding the foregoing provisions of this Section, if any Bond has matured and no default has occurred which is then continuing in the payment of the principal of or premium, if any, or interest on the Bond, NVTA may authorize the payment of the Bond (without surrender except in the case of a mutilated Bond) instead of issuing a substitute Bond, provided security or indemnification is furnished as provided in this Section.

(d) NVTA and the Paying Agent may charge the Owner their reasonable fees and expenses in connection with the issuance of any substitute Bond. Every substitute Bond issued pursuant to the provisions of this Section shall constitute a contractual obligation of NVTA, whether or not the lost, stolen or destroyed Bond is found or delivered at any time, or is enforceable by anyone, and shall be entitled to all of the benefits of this Master Indenture and the Supplemental Indentures equally and proportionally with any and all other Bonds duly issued under this Master Indenture to the same extent as the Bond in substitution for which such Bond was issued.

(e) The provisions of this Section are exclusive and shall preclude (to the extent lawful) all of the rights and remedies with respect to the payment of mutilated, lost, stolen, or destroyed Bonds, including those granted by any law or statute now existing or hereafter enacted.

Section 3.12 Cancellation of Bonds. Any temporary or mutilated Bond surrendered to the Paying Agent, or any Bond redeemed or paid at maturity, or any Bond delivered for transfer, exchange or replacement, or purchase pursuant to instructions from NVTA, shall be canceled or
destroyed, and the Paying Agent shall deliver the canceled Bond or a certificate of destruction of such Bond to NVTA.

ARTICLE IV
REDEMPTION OF BONDS

Section 4.1 Redemption of Bonds. The Bond of each Series shall be subject to redemption as specified in the Related Series Supplement.

Section 4.2 Selection of Bonds for Redemption. Bonds of any Series to be called for redemption shall be selected as provided in the Related Series Supplement. The Paying Agent shall treat each Bond of a denomination greater than the minimum denomination authorized in the Related Series Supplement as representing the number of separate Bonds that can be obtained by dividing the Bond's actual principal amount by such minimum denomination.

Section 4.3 Notice of Redemption. (a) Except as otherwise provided in the Related Series Supplement, in the case of any redemption of the Bonds of any Series, the Paying Agent shall give notice, in its own name or in the name of NVTA, as provided for in this Section, that Bonds of particular Series identified by serial or CUSIP numbers have been called for redemption and, in the case of Bonds to be redeemed in part only, the principal amount of the Bonds that have been called for redemption (or if all the Outstanding Bonds of a Series are to be redeemed, so stating, in which event serial or CUSIP numbers may be omitted), that they will be due and payable on the date fixed for redemption (specifying the date) upon surrender of the Bonds at the designated corporate trust office of the Paying Agent, at the applicable redemption price (specifying the price) together with any accrued interest to such date, and that all interest on the Bonds to be redeemed will cease to accrue on and after such date.

(b) Unless otherwise specified in the Related Series Supplement, such notice shall be mailed by first class mail, postage prepaid, not less than thirty nor more than sixty days before the date fixed for redemption, to the Owners of the Bonds called for redemption, at their respective addresses as they last appear on the registration books maintained by the Paying Agent. The receipt of notice will not be a condition precedent to the redemption and failure to mail any notice to an Owner or any defect in any notice will not affect the validity of the proceedings for the redemption of Bonds. If, at the time of mailing of the notice of any optional redemption, there has not been deposited with the Paying Agent moneys sufficient to redeem all of the Bonds called for redemption, the notice may state that it is conditional on the deposit of redemption moneys with the Paying Agent not later than the opening of business on the redemption date.

Section 4.4 Payment of Redeemed Bonds. (a) Except as otherwise provided in the Related Series Supplement, if notice of redemption has been given as provided in Section 4.3, the Bonds called for redemption shall be due and payable on the date fixed for redemption at a redemption price equal to the principal amount of and premium, if any, on the Bonds, together with accrued interest to the date fixed for redemption. Payment of the redemption price shall be made by the Paying Agent upon surrender of the Bonds. If less than the full principal amount of a Bond is called for redemption, NVTA shall execute and deliver and the Paying Agent shall
authenticate, upon surrender of the Bond, and without charge to the Owner, Bonds of the same Series for the unredeemed portion of the principal amount of the Bond so surrendered.

(b) If any Bond has been duly called for redemption and payment of the principal of and premium, if any, and unpaid interest accrued to the date fixed for redemption on the Bond has been made or provided for, then, notwithstanding that the Bond called for redemption has not been surrendered for cancellation, interest on the Bond shall cease to accrue from the date fixed for redemption. In addition, from and after the date fixed for redemption, the Bond shall no longer be entitled to any lien, benefit or security under this Master Indenture, and its Owner shall have no rights in respect of the Bond except to receive payment of the principal of and premium, if any, and unpaid interest accrued to the date fixed for redemption of the Bond.

ARTICLE V
ISSUANCE OF BONDS

Section 5.1 Issuance of Bonds. (a) NVTA may issue Bonds, subject to the terms and conditions contained in this Master Indenture, for any purpose permitted to be financed from the proceeds of NVTA Debt under the NVTA Act, including without limitation the construction and acquisition of any Project and the refunding of any Bonds previously issued and Outstanding. Such Bonds may be issued in any form permitted by law, including, but not limited to, Current Interest Bonds, Variable Rate Bonds, Capital Appreciation Bonds, Optional Tender Bonds, Serial Bonds or Term Bonds or any combination thereof.

(b) NVTA shall not issue or incur any NVTA Debt that will be secured by a pledge of revenues, money or property pledged by this Master Indenture to the payment of any Series of Bonds, except for Bonds and Subordinate Obligations; provided, however, that nothing contained in this Master Indenture shall prevent NVTA from issuing or incurring NVTA Debt payable out of or secured by a pledge of revenues to be derived on and after the date the pledge and lien of this Master Indenture is discharged and satisfied as provided in Article XII.

(c) Subject to the restrictions set forth in subsection (b) of this Section, NVTA reserves the right in its sole discretion and without the consent of the Trustee or any Owner of any Bond or the holder or owner of any Subordinate Obligation to issue from time to time NVTA Debt for any lawful purpose authorized by the NVTA Act.

Except as otherwise provided in this Master Indenture, all Bonds shall in all respects be equally and ratably secured under this Master Indenture without preference, priority or distinction on account of the time of their authentication, delivery or maturity, so that all Bonds at any time outstanding under this Master Indenture will have the same right, lien and preference under this Master Indenture with respect to the pledge set forth in Section 2.1(a) with like effect as if they had all been executed, authenticated and delivered simultaneously. Nothing in this Master Indenture shall be construed, however, as (i) requiring that any Bonds bear interest at the same rate or in the same manner as any other Bonds, have the
same or an earlier or later maturity, have the same Principal or Interest Payment Dates as other Bonds, or be subject to mandatory or optional redemption before maturity on the same basis as any other Bonds, (ii) prohibiting NVTA from entering into financial arrangements, including any Bond Credit Facility or DSRF Credit Facility, designed to assure that funds will be available for the payment of certain Bonds at their maturity or tender for purchase, or (iii) prohibiting NVTA from pledging funds or assets of NVTA other than those pledged under this Master Indenture or any Supplemental Indenture for the benefit of any Bonds.

Section 5.3 Conditions of Issuing a Series of Bonds. Before the issuance and authentication of any Series of Bonds by the Paying Agent, NVTA shall deliver or cause to be delivered to the Trustee:

(2) A written determination by a knowledgeable professional, (excluding any employee of NVTA), a firm of nationally-recognized independent verification agent or a firm of independent certified public accountants that the proceeds (excluding accrued interest) of the Refunding Bonds, together with any other money to be deposited for such purpose with the Trustee or an escrow agent satisfactory to the Trustee in the Related Escrow Fund or otherwise upon the issuance of the Refunding Bonds and the investment income to be earned on funds held by the Trustee for the payment or redemption of Bonds to be refunded, will be sufficient to pay, whether upon redemption or at maturity, the principal of and premium, if any, and interest on the Bonds to be refunded and the estimated expenses incident to the refunding.

(g) An opinion of Bond Counsel to the effect that (i) the Bonds of the Series then to be issued have been duly authorized, (ii) all conditions precedent to the issuance of such Bonds have been fulfilled (iii) the Related Series Supplement has been duly authorized, executed and delivered by NVTA and complies in all respects with the requirements of this Master Indenture and (iv) Bonds are valid and legally binding limited obligations of NVTA and are secured by this Master Indenture and the Related Series Supplement to the extent provided herein and therein.

ARTICLE VI

Section 6.4 Records and Accounts; Inspections and Reports. NVTA shall maintain or cause to be maintained proper books of record and account, separate from any of its other records and accounts, showing complete and correct entries of all transactions relating to the Bonds. All books and documents in NVTA's possession relating to the Bonds shall at all times be open to inspection by such agents as may be designated by the Trustee or the Owners of twenty-five percent or more in aggregate principal amount of Bonds then Outstanding. NVTA shall have an annual audit made by an accountant or accounting firm within 180 days after the end of each Fiscal Year and shall furnish to the Trustee copies of the audit report as soon as such report is available, which report shall include statements in reasonable detail, certified by the accountant or accounting firm who or which prepared the report. Such audit report shall reflect NVTA's financial position as of the end of such Fiscal Year and the results of its operations and changes in the financial position of its fund for such Fiscal Year.

Section 6.5 Reports by Trustee. The Trustee shall make periodic reports to NVTA of all money received, invested and expended by it with respect to the Bonds. The Trustee shall furnish to NVTA upon request (i) a statement of the principal amount of Bonds Outstanding and unpaid as of the date of such request, (ii) the balance in each of the Funds and Accounts held by it pursuant to this Master Indenture, and (iii) such information as may be necessary to complete the annual audit of NVTA as required by the Act or to make any other report required by any other law now or hereafter in effect.

Section 6.6 Covenants with Bond Credit Providers and DSRF Credit Providers. NVTA may make such covenants as it may in its sole discretion determine to be appropriate with any Bond Credit Provider or DSRF Credit Provider that shall agree to provide for Bonds of any one or more Series a Bond Credit Facility or a DSRF Credit Facility that shall enhance the security or the value of such Bonds and thereby reduce the Principal and Interest Requirements on such Bonds or substitute for amounts in the Related Debt Service Reserve Fund. Such covenants may be set forth in the Related Series Supplement or other Supplemental Indenture and shall be binding on NVTA, the Trustee, the Paying Agent and the Owners of the Bonds the same as if such covenants were set forth in full in this Master Indenture.

ARTICLE VII
ESTABLISHMENT OF FUNDS AND ACCOUNTS

Section 7.1 Establishment of Funds.

(a) The Funds listed below are hereby established with respect to all of the Outstanding Bonds and Subordinate Obligations issued under or in accordance herewith and NVTA's operations, and NVTA shall hold each such Fund without commingling the monies held therein.

(1) Revenue Fund;

(2) Member Locality Distribution Fund;
(3) Operating Fund; and

(4) General Fund.

(b) The Funds listed below are to be established with respect to each separate Series of Bonds in the Related Series Supplement, and the Trustee shall hold such Funds without commingling the monies held therein, except that NVTA shall hold each Cost of Issuance Fund.

(1) Cost of Issuance Fund;

(2) Project Fund and/or Escrow Fund, as appropriate;

(3) Bond Debt Service Fund;

(4) Debt Service Reserve Fund; and

(5) Rebate Fund.

(c) A Subordinate Debt Service Fund is to be established with respect to each Subordinate Obligation or series thereof issued by NVTA, and the Trustee shall hold each such Fund without commingling the monies held therein.

(d) NVTA may provide that a Bond Debt Service Fund and/or Debt Service Reserve Fund established for a Series of Bonds may also provide for the payment of and/or secure any Refunding Bonds issued to refund such Series of Bonds in whole or in part.

Section 7.2 Establishment and Custody of Certain Special Funds. (a) NVTA may establish with the Trustee or an escrow agent satisfactory to the Trustee in connection with the issuance of any Series of Refunding Bonds an Escrow Fund to provide for the application and investment of the portion of the proceeds of such Series to be used to refund the refunded Bonds. Such Escrow Fund shall be established under or in accordance with the Related Series Supplement.

(b) NVTA may establish with the Trustee in connection with the incurrence of any Reimbursement Obligation a Reimbursement Fund. Amounts held for the credit of any Reimbursement Fund shall be paid out by the Trustee as necessary to enable NVTA to meet its obligations constituting Reimbursement Obligations. Amounts held for the credit of a Reimbursement Fund may be pledged to the payment of any Related Reimbursement Obligation incurred by NVTA.

ARTICLE VIII
OPERATION OF REVENUE FUND, PLEDGED FUNDS AND GENERAL FUND

Section 8.1 Revenue Fund. (a) NVTA will hold the Revenue Fund as a separate account. The Revenue Fund itself is not pledged to secure any of the Bonds or the Subordinate Obligations. NVTA will deposit into the Revenue Fund all NVTA Revenues, including any HB 2313 Transportation Revenues transferred from the NVTA Fund, immediately upon receipt.
(b) On the last Business Day of each month, NVTA shall make transfers from the Revenue Fund in the amounts and in the order of priority set forth below:

FIRST: To the Member Locality Distribution Fund, 30% (or such other percentage as may be required under the NVTA Act or other applicable law), of the NVTA Revenues (the "Local NVTA Revenues");

SECOND: To each Bond Debt Service Fund ratably, the amount, if any, required so that the balance therein shall equal the amount of principal, if any, and interest due on the Related Series of Bonds on the next Payment Date; provided that NVTA shall receive a credit against such transfer for the amount, if any, held in a Bond Debt Service Fund as capitalized interest or otherwise, together with the investment earnings thereon;

THIRD: To each Debt Service Reserve Fund, ratably, the amount, if any, required so that the balance in each such Fund shall equal to the respective Reserve Requirement (which shall include the reimbursement of any DSRF Credit Provider for any drawings on a DSRF Credit Facility and the payment of any interest, penalties or fees assessed by the DSRF Credit Provider);

FOURTH: To each Subordinate Debt Service Fund, ratably, the amount, if any, required so that the balance in each such Fund shall equal the amount of principal, if any, and interest due on the Related Subordinate Obligations on the next ensuing payment date; provided that NVTA shall receive a credit against such transfer for the amount, if any, held in a Subordinate Debt Service Fund as capitalized interest or otherwise, together with the investment earnings thereon;

FIFTH: To each Rebate Fund the amounts necessary to provide for the payment of any Rebate Amounts with respect to the Related Series of Bonds as confirmed in an Officer's Certificate; and

SIXTH: To the General Fund, the balance remaining in the Revenue Fund.

(c) In the case of Bonds of a Series secured by a Bond Credit Facility, amounts on deposit in the Revenue Fund may be transferred to the Bond Debt Service Fund or as the case may be, the Related Reimbursement Fund or elsewhere as provided in the Related Series Supplement to reimburse the Bond Credit Provider for amounts drawn under the Bond Credit Facility to pay the principal of and premium, if any, and interest on such Bonds.

Section 8.2 Member Locality Distribution Fund. (a) NVTA will hold the Member Locality Distribution Fund and neither such Fund nor the balance therein shall be pledged to secure the Bonds or the Subordinate Obligations. On the last Business Day of each month, NVTA shall make transfers from the Member Locality Distribution Fund in the amounts and in the order of priority set forth below:
FIRST: To the Operating Fund the amount required, if any, to fund the next 30 days of Operating Expenses, based upon the NVTA’s Annual Budget as it then exists; and

SECOND: To the Member Localities, the balance remaining in the Member Locality Distribution Fund, in accordance with subdivision B of Section 15.2-4838.1 of the NVTA Act or other applicable law.

(b) To the extent that the NVTA Act or other applicable law requires NVTA to reduce the amount of the Local NVTA Revenues distributed to any Member Locality, such amount shall be treated as if deposited into the Revenue Fund and subject to the transfers described in SECOND through SIXTH of Section 8.1(b) and shall be treated as Regional NVTA Funds.

Section 8.3 Operating Fund. (a) NVTA shall promptly deposit the following amounts in the Operating Fund:

(1) Any amounts made available to NVTA for deposit therein, including funds received from the Member Localities; and

(2) Any amounts transferred thereto from the Member Locality Distribution Fund as provided in Section 8.2 above.

(b) NVTA will hold the Operating Fund and neither such Fund nor the balance therein shall be pledged to secure the Bonds or the Subordinate Obligations. NVTA shall pay Operating Expenses from the Operating Fund as they become due and in accordance with the purposes and amounts provided in the Annual Budget. In determining the balance on deposit in the Operating Fund for any purpose of this Master Indenture, there shall be deducted the amount of any issued but unpaid checks drawn against the Operating Fund. Investment earnings on amounts from the Operating Fund shall be retained therein and applied for purposes of this Section.

Section 8.4 Bond Debt Service Funds. (a) The Trustee shall promptly deposit the following amounts in each Bond Debt Service Fund:

(1) The amount, if any, of the proceeds of the Related Series of Bonds required by the Related Series Supplement to be deposited in the Bond Debt Service Fund with respect to accrued and/or capitalized interest;

(2) All amounts required to be transferred to the Bond Debt Service Fund from the Revenue Fund pursuant to Section 8.1(b);

(3) Any amounts required to be transferred to the Bond Debt Service Fund from the Bond Debt Service Reserve Fund as provided under this Master Indenture; and
(4) Any other amounts required to be paid to the Bond Debt Service Fund or otherwise made available for deposit therein by NVTA, including amounts made available pursuant to the Related Series Supplement.

(b) The Trustee shall pay out of each Bond Debt Service Fund ratably to the Paying Agent for the Related Series of Bonds (i) on each Interest Payment Date, the amount required for the payment of interest on such Bonds then due, (ii) on any redemption date, the amount required for the payment of accrued interest on such Bonds to be redeemed, unless the payment of such accrued interest shall be otherwise provided for, and such amounts shall be applied by the Paying Agents to such payment, and (iii) the accrued interest included in the Purchase Price of any Bonds of the Related Series purchased for retirement pursuant to this Master Indenture.

(c) The Trustee shall pay out of each Bond Debt Service Fund to the Paying Agent for the Related Series Bonds on each Principal Payment Date and redemption date for such Bonds, the amounts then required for the payment of such principal or redemption price, and such amounts shall be applied by the Paying Agent to such payments.

Section 8.5 Debt Service Reserve Funds. (a) Except as specifically provided below, the amount in each Debt Service Reserve Fund shall be used solely to cure deficiencies in the amount on deposit in the Related Bond Debt Service Fund and only with respect to the Related Series of Bonds. If there are insufficient funds in the Related Bond Debt Service Fund to pay the principal of and interest on a particular Series of Bonds when due, then the Trustee shall transfer the amount of deficiency from the amount, if any, on deposit in the Related Debt Service Reserve Fund to such Bond Debt Service Fund. The Trustee immediately shall notify NVTA of the transfer.

(b) On each Reserve Determination Date, the Trustee shall determine if the balance in each of the Debt Service Reserve Funds is at least equal to the Reserve Requirement for the Related Series of Bonds. In making each such determination, investments in each Debt Service Reserve Fund shall be valued as provided in Section 11.3 or as otherwise provided in the Related Series Supplement. If on any Reserve Determination Date the amount in any Debt Service Reserve Fund is less than its Reserve Requirement, the Trustee shall immediately notify NVTA of such fact and the amount of the deficiency.

(c) NVTA may deposit its own funds directly into any Debt Service Reserve Fund to cure any deficiency in it.

(d) Any interest earned from the investment of money in a Debt Service Reserve Fund shall be transferred upon receipt to the Revenue Fund and/or to the Related Rebate Fund to pay any Rebate Amounts in accordance with the Series Supplements and Tax Regulatory Agreements (as confirmed in an Officer's Certificate) to the extent that such transfer will not cause the balance in a Debt Service Reserve Fund to be less than the aggregate amount of its Reserve Requirement. If on any Reserve Determination Date there exists a surplus in a Debt Service Reserve Fund, the Trustee shall transfer such surplus to the Revenue Fund and/or to the Related Rebate Fund to pay any Rebate Amounts in accordance with the Series Supplements and Tax Regulatory Agreements (as confirmed in an Officer's Certificate); provided, however, that if
on any Reserve Determination Date there exists or will exist a surplus in a Debt Service Reserve Fund as the result of the payment at maturity, redemption or defeasance under Article XII of a portion of the Bonds of the Related Series on or as of such Reserve Determination Date, then the Trustee is authorized to transfer the surplus (including to an Escrow Fund for any such Bonds to be redeemed or defeased) as specified in (i) a Series Supplement (as confirmed in an Officer's Certificate) or (ii) an Officer's Certificate.

(e) In lieu of maintaining and depositing money or securities in a Debt Service Reserve Fund, NVTA may deposit with the Trustee a DSRF Credit Facility in an amount equal to all or a portion of the applicable Reserve Requirement. Any DSRF Credit Facility will permit the Trustee to draw or obtain under it for deposit in the Debt Service Reserve Fund amounts that, when combined with the other amounts in such Fund, are not less than the applicable Reserve Requirement.

(1) The Trustee will make a drawing on or otherwise obtain funds under any DSRF Credit Facility before its expiration or termination (i) whenever money is required for the purposes for which Debt Service Reserve Fund money may be applied and (ii) unless such DSRF Credit Facility has been extended or a qualified replacement for it delivered to the Trustee, in the event NVTA has not deposited immediately available funds equal to the applicable Reserve Requirement at least two Business Days preceding the expiration or termination of such DSRF Credit Facility.

(2) If NVTA provides the Trustee with a DSRF Credit Facility as provided in this subsection, the Trustee will transfer the corresponding amount of funds then on deposit in the applicable Debt Service Reserve Fund to NVTA, provided NVTA delivers to the Trustee (i) an Opinion of Bond Counsel that such transfer of funds will not adversely affect the excludability from gross income for purposes of federal income taxation of interest on any Bonds the interest on which was excludable on the date of their issuance and (ii) NVTA covenants to comply with any directions or restrictions contained in such opinion concerning the use of such funds.

Section 8.6 Subordinate Debt Service Funds. (a) The Trustee shall promptly deposit the following amounts in each Subordinate Debt Service Fund:

(1) The amount, if any, of the proceeds of the Related Subordinate Obligation, required to be deposited in the Subordinate Debt Service Fund in respect of accrued and/or capitalized interest;

(2) All amounts required to be transferred to the Subordinate Debt Service Fund from the Revenue Fund pursuant to Section 8.1(b); and

(3) Any other amounts required to be paid to the Subordinate Debt Service Fund or otherwise made available for deposit therein by NVTA.

(b) The Trustee shall pay out of each Subordinate Debt Service Fund (i) on each interest payment date, the amount required for the payment of interest on the Related
Subordinate Obligations then due and (ii) on any redemption date, the amount required for the payment of accrued interest on the Related Subordinate Obligations to be redeemed, unless the payment of such accrued interest shall be otherwise provided for, and such amounts shall be applied to such payment. The Trustee shall also pay out of the Subordinate Debt Service Fund the accrued interest included in the Purchase Price of any Subordinate Obligations purchased for retirement pursuant to this Master Indenture.

(c) The Trustee shall pay out of each Subordinate Debt Service Fund on each principal payment date and redemption date for the Related Subordinate Obligations, the amounts then required for the payment of such principal or redemption price, and such amounts shall be applied to such payments.

Section 8.7 General Fund. (a) NVTA shall hold the General Fund and, except as otherwise provided below, neither such Fund nor any moneys or investments therein shall be pledged to secure the Bonds or the Subordinate Obligations.

(b) NVTA shall apply the balance in the General Fund as follows:

FIRST: To cure any deficiency in the amount required to be on deposit in any Bond Debt Service Fund, Debt Service Reserve Fund, Rebate Fund or Subordinate Debt Service Fund, in that order; and

SECOND: To any lawful purpose approved by resolution of NVTA.

Article IX
Operation of Certain Series-Specific Funds

Section 9.1 Cost of Issuance Funds. There shall be deposited in each Cost of Issuance Fund the portion of the proceeds of the Related Series of Bonds and such other amounts as may be specified in the Related Series Supplement. NVTA shall use such amounts to pay costs of issuance incurred in connection with the issuance of the Related Series of Bonds. NVTA shall transfer any amounts remaining on deposit in such Fund to the Revenue Fund, the Related Project Fund and/or another Fund or Account established hereunder as may be authorized or directed by the Related Series Supplement or Tax Regulatory Agreement. Investment earnings on any Cost of Issuance Fund may be transferred therefrom periodically as provided in the Related Series Supplement and Tax Regulatory Agreement.

Section 9.2 Project Funds. There shall be deposited into each Project Fund such portion of the proceeds of the Related Series of Bonds and other amounts as may be specified in the Related Series Supplement. NVTA shall use the amounts in each Project Fund in accordance with the requirements of the Related Series Supplement and Tax Regulatory Agreement. Upon the filing with the Trustee of an Officer’s Certificate that a Project is complete the Trustee shall transfer any amounts remaining on deposit in the Related Project Fund to the Revenue Fund and/or another Fund or Account established hereunder as may be authorized or directed by the Related Series Supplement or Tax Regulatory Agreement. Investment earnings in a Project Fund may be transferred periodically therefrom as provided in the Related Series Supplement and Tax Regulatory Agreement.
Section 9.3 Rebate Funds. There shall be deposited in each Rebate Fund amounts to be sued to pay Rebate Amounts with respect to the Related Series of Bonds as may be specified in the Related Series Supplement and the Related Tax Regulatory Agreement. NVTA shall use the balance in a Rebate Fund to pay the Rebate Amounts and any other obligations under Section 148 of the Tax Code in connection with the Related Series of Bonds. NVTA may transfer any amounts on deposit in a Rebate Fund that are not needed for such purpose to the Revenue Fund and/or another Fund or Account established hereunder as may be authorized or directed by the Related Series Supplement or Tax Regulatory Agreement and confirmed in an Officer’s Certificate.

ARTICLE X
GENERAL FUND AND ACCOUNT PROVISIONS

Section 10.1 Additional Funds and Accounts. Upon payment of its additional reasonable costs and expenses, if any, the Trustee may create additional Funds and Accounts or subaccounts within any Fund or Account established by this Master Indenture or any Supplemental Indenture if NVTA so directs in a Supplemental Indenture or the Trustee deems such additional Funds, Accounts or subaccounts to be necessary for the proper administration of the various Funds and Accounts. The Trustee shall make transfers to or from such Funds, Accounts or subaccounts so long as required transfers can be made consistently with the provisions of this Master Indenture or any Supplemental Indenture.

Section 10.2 Non-Presentment of Bonds. (a) If any Owner fails to present his or her Bond for payment when its principal becomes due (whether at maturity, by mandatory or optional redemption, by acceleration, or otherwise), all liability of NVTA to the Owner for the payment of the Bond shall be completely discharged if the Trustee holds for the Owner’s benefit money sufficient to pay the principal of and premium, if any, and interest due on such Bond to its maturity or redemption date and thereupon it shall be the Trustee’s duty to hold this money, without liability to the Owner for interest on it, for the Owner’s benefit, who shall thereafter be restricted exclusively to this money for any claim under this Master Indenture or on the Bond.

(b) Any money which shall have been set aside by the Trustee for the payment of the principal of and premium, if any, and interest on the Bonds and which shall remain unclaimed by the Owners of any of the Bonds for a period of four years and eleven months after the date on which such money shall have become payable, shall, unless otherwise required by law, be paid to NVTA (along with any investment earnings on such money earned after the respective maturity or redemption date), and thereafter the Trustee shall have no further responsibility with respect to such money.

Section 10.3 Trustee’s Fees, Costs and Expenses. The Trustee’s initial or acceptance fees and expenses for a Series of Bonds shall be paid from the Related Cost of Issuance Fund. NVTA shall pay or provide for the payment of all other fees and expenses of the Trustee as provided in Section 14.2. The Trustee shall not deposit any such payments it receives in the Funds or Accounts established by this Master Indenture.

Section 10.4 Purchase of Term Bonds. (a) Amounts made available by or on behalf of NVTA for such purpose may, and if so directed by NVTA in an Officer’s Certificate shall, be
applied by the Trustee prior to the 45th day preceding any mandatory sinking fund redemption date for Term Bonds of the Related Series to the purchase of the Term Bonds that are subject to such sinking fund redemption, at prices (including any brokerage and other charges) not exceeding the redemption price payable for such Term Bonds pursuant to such sinking fund redemption plus unpaid interest accrued to the date of purchase. Upon such purchase of any Term Bond, the Trustee shall then credit an amount equal to the principal of the Bond so purchased toward the next succeeding Amortization Requirement for such Term Bond.

(b) As soon as practicable after the 45th day preceding the date of any mandatory sinking fund redemption for the Term Bonds of the Related Series, the Trustee shall proceed to call for redemption on such redemption date the Term Bonds of the maturity for which sinking fund redemption is required in such amount as shall be necessary to complete the retirement of the principal amount specified for such sinking fund redemption. The Trustee shall so call such Term Bonds for redemption whether or not it then has moneys in the Related Bond Debt Service Fund, as applicable, sufficient to pay the applicable redemption price thereof and interest thereon to the redemption date. The Trustee shall pay out of each such Fund to the appropriate Paying Agents, on each such redemption date, the amount required for the redemption of the Related Term Bonds so called for redemption, and such amount shall be applied by such Paying Agents to such redemption.

ARTICLE XI
SECURITY FOR DEPOSITS AND PERMITTED INVESTMENTS

Section 11.1 Security for Deposits. All amounts deposited with NVTA or the Trustee under the Master Indenture in excess of the amount guaranteed by the Federal Deposit Insurance Corporation or other federal agency shall be continuously held in bank accounts which are secured for the benefit of NVTA and the Owners of the Bonds in the manner required and to the full extent permitted by the Virginia Security for Public Deposits Act, Chapter 44, Title 2.2, Code of Virginia of 1950, as amended, or any successor provision of law; provided, however, that it shall not be necessary for the Paying Agent to give security for the deposit of any amounts with it for the payment of the principal or premium, if any, or interest on any Bonds issued under the Master Indenture, or for any Person to give security for any investments described in Section 11.2 below purchased under the provisions of this Article XII as an investment of such amounts.

Section 11.2 Permitted Investments. (a) Subject to the provisions of any Supplemental Indenture, any amounts held in any Fund or Account established by this Master Indenture or any Supplemental Indenture may be separately invested and reinvested by the Trustee, at the request of and as directed in writing by a NVTA Representative, in any investments which are at the time legal investments for public funds of the type to be invested under Virginia law, including without limitation the NVTA Act and the Investment of Public Funds Act, Chapter 45, Title 2.2, Code of Virginia of 1950; as amended, or any successor provision of law. Notwithstanding anything to the contrary contained herein, NVTA may invest the amounts on deposit in the General Fund to the same extent as provided in Section 33.1-23.03:5 of the Virginia Code for excess funds in the Transportation Trust Fund.
(b) Subject to the provision of any Supplemental Indenture, all Investments shall be held by or under the control of the Trustee or NVTA, as the case may be, and while so held shall be deemed a part of the Fund or Account in which the amounts were originally held. The Trustee and NVTA shall sell and reduce to cash a sufficient amount of investments whenever the case balance in any Fund or Account is insufficient for its purposes.

Section 11.3 Valuation of Investments. (a) Unless otherwise provided in a Supplemental Indenture, NVTA or the Trustee shall value the investments in each Fund and Account established under this Master Indenture or any Supplemental Indenture and held by it or at its direction as of the last Business Day of each month; provided that, notwithstanding the foregoing, a Debt Service Reserve Fund shall be valued only on Reserve Determination Dates.

(b) Unless otherwise provided in a Supplemental Indenture, each such investment shall be valued (i) at amortized cost if the weighted average life of all investments held in the same Fund or Account is five years or less or (ii) at its fair market value or the amortized cost thereof, whichever is lower if the weighted average life of all investments held in the same Fund or Account exceeds five years. A DSRF Credit Facility shall be valued at the amount that the Trustee is authorized to draw thereon to pay debt service on the Series of Bonds secured thereby.

Section 11.4 Investments through Trustee's Bond Department. The Trustee may make investments permitted by Section 11.2 through its own trust or bond department.

ARTICLE XII
DEFEASANCE

Section 12.1 Defeasance. If NVTA shall pay or provided for the payment of the entire indebtedness on all Bonds Outstanding if any one or more of the following ways:

(a) by paying or causing to be paid the principal of and premium, if any, and interest on such Bonds, as and when the same shall become due and payable;

(b) by delivering such Bonds to the Trustee for cancellation; or

(c) by depositing with the Trustee (or an escrow agent acceptable to the Trustee), in trust, cash and/or Defeasance Obligations in such amount as will, together with the income or increment to accrue thereon (the "Payment Amount"), be fully sufficient to pay or redeem (when redeemable) and discharge the indebtedness on all Bonds Outstanding at or before their respective maturity dates, without consideration of any reinvestment of the Payment Amount, as a firm of nationally-recognized independent verification agents or a firm of independent certified public accountants shall verify to the Trustee's satisfaction;

and if NVTA shall pay or provide for the payment of (on the date of defeasance or over time) all other sums payable hereunder by NVTA, and if any of the Bonds Outstanding are to be redeemed before their maturity, notice of such redemption shall have been given as provided in Article IV (and the corresponding sections of the Series Supplements) or provisions satisfactory to the Trustee shall have been made for the giving of such notice, this Master Indenture and the estate and rights granted hereunder (except for the provisions of Articles III and IV and Section
6.1) shall cease, determine, and become null and void. Thereupon the Trustee shall, upon receipt by the Trustee of an officer's Certificate and an opinion of Bond Counsel, each stating that in the opinion of the signers all conditions precedent to the satisfaction and discharge of this Master Indenture as provided above have been complied with, forthwith execute proper instruments acknowledging satisfaction of and discharging this Master Indenture (except for the provisions of Article III and IV (and the corresponding sections of the Series Supplements) and Section 6.1) and the lien hereof.

Any moneys, securities, or other property remaining on deposit in any of the Funds or Accounts established by this Master Indenture and held by the Trustee (except the cash and/or Defeasance Obligations deposited in trust as above provided) shall, upon the full satisfaction of this Master Indenture as provided above, forthwith be distributed to NVTA.

Section 12.2 Liability of NVTA. Upon the deposit with the Trustee (or an escrow agent acceptable to the Trustee), in trust, at or before maturity, of cash and/or Defeasance Obligations in the necessary amount to pay or redeem all Bonds Outstanding (whether upon or before their maturity or the redemption date of such Bonds) and compliance with the other payment requirements of Section 12.1, provided that if such Bonds are to be redeemed before their maturity, notice of such redemption shall have been given as provided in Article IV (and the corresponding sections of the Series Supplements), or provisions satisfactory to the Trustee shall have been made for the giving of such notice, this Master Indenture may be discharged in accordance with its provisions (except for the provisions of Articles III and IV (and the corresponding sections of the Series Supplements) and Section 6.1) but the liability of NVTA under the Bonds shall continue provided that the Owners shall thereafter be entitled to payment only out of the cash and/or Defeasance Obligations deposited with the Trustee (or an escrow agent acceptable to the Trustee) as aforesaid.

Section 12.3 Provision for Payment of Particular Bonds. If NVTA shall pay or provide for the payment of the entire indebtedness on particular Bonds in any one or more of the following ways:

(a) by paying or causing to be paid the principal of and premium, if any, and interest on such Bonds, as and when the same shall become due and payable;

(b) by delivering such Bonds to the Trustee for cancellation; or

(c) by depositing with the Trustee (or an escrow agent acceptable to the Trustee), in trust, cash and/or Defeasance Obligations in such amount as will, together with the income or increment to accrue thereon (the "Payment Amount"), be fully sufficient to pay or redeem (when redeemable) and discharge the indebtedness on such Bonds at or before their respective maturity dates, without consideration of any reinvestment of the payment Amount, as a firm of nationally-recognized independent verification agents or a firm of independent certified public accountants shall verify to the Trustee's satisfaction;

and if NVTA shall also pay or provide for the payment of all other sums payable hereunder by NVTA with respect to such Bonds, and, if such Bonds are to be redeemed before their maturity, notice of such redemption shall have been given as provided in Article IV of this Master
indenture (or the corresponding provisions of the Related Series Supplements) or provisions satisfactory to the Trustee shall have been made for the giving of such notice, such Bonds shall cease to be entitled to any lien, benefit or security under this Master Indenture. The liability of NVTA under such Bonds shall continue but their Owners shall thereafter be entitled to payment (to the exclusion of all other Owners) only out of the cash and/or Defeasance Obligations deposited with the Trustee (or an escrow agent acceptable to the Trustee) as aforesaid.

NVTA may at any time surrender to the Trustee for cancellation any Bonds previously authenticated and delivered that NVTA may have acquired in any manner whatsoever, and such Bonds, upon such surrender and cancellation, shall be deemed to be paid and retired as provided in this Article.

ARTICLE XIII
DEFAULT PROVISIONS AND REMEDIES OF TRUSTEE AND OWNERS

Section 13.1 Events of Default; No Acceleration. (a) The occurrence and continuation of one or more of the following events shall constitute an Event of Default with respect to the Bonds:

(1) default in the payment of any installment of interest in respect of the Bonds of any Series as the same shall become due and payable; or

(2) default in the payment of the principal of or premium, if any, in respect of the Bonds of any Series as the same shall become due and payable either at maturity, upon redemption, or otherwise; or

(3) default in the payment of any Amortization Requirement in respect of any Term Bond as the same shall become due and payable; or

(4) failure on the part of NVTA duly to observe or perform any other of the covenants or agreements on the part of NVTA contained in this Master Indenture, a Series Supplement, a Tax Regulatory Agreement or any Bond; or

(5) appointment by a court of competent jurisdiction of a receiver for all or any substantial part of the Revenues and the other Funds and Accounts pledged pursuant to this Master Indenture, or the filing by NVTA of any petition for reorganization of NVTA or rearrangement or readjustment of the obligations of NVTA under the provisions of any applicable bankruptcy or insolvency law.

(b) Notwithstanding any other provision of this Master Indenture, failure to pay the principal or any Amortization Requirement of or interest on any Subordinate Obligation will not constitute an Event of Default with respect to any of the Bonds.

(c) NVTA may, pursuant to a Series Supplement, provide for a particular Series of Bonds different or additional Events of Default and remedies upon the occurrence thereof including, but not limited to, Events of Default upon the occurrence of events specified in
any agreement entered into in connection with the delivery of a Bond Credit Facility and acceleration of the full principal amount of such Bonds.

Section 13.2 Reserved.

Section 13.3 Other Remedies. (a) Upon the occurrence and continuation of an Event of Default, the Trustee may in its discretion, and shall at the written request of the Majority Owners of the Bonds Outstanding, and having been indemnified as provided in Section 14.1(1), pursue any available remedy, at law or in equity, to enforce the payment of the principal of and premium, if any, and interest on the Bonds, to enforce any covenant or condition under this Master Indenture or the Supplemental Indentures or to remedy any Event of Default.

(b) Notwithstanding anything in this Master Indenture or the Supplemental Indentures to the contrary, upon the occurrence and continuation of an Event of Default, the Majority Owners of the Bonds Outstanding will control and direct all actions of the Trustee in exercising such of the rights and powers conferred by this Section on the Trustee or the Owners.

(c) So long as any Bonds are Outstanding, no owner or holder of any Subordinate Obligation may exercise any remedy under this Master Indenture or any Supplemental Indenture.

Section 13.4 Effect of Discontinuance or Abandonment. If any proceeding taken by the Trustee on account of any default has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee, then NVTA, the Trustee, and the Owners will be restored to their former positions and rights under this Master Indenture and all rights, remedies and powers of the Trustee will continue as though no such proceeding had been taken.

Section 13.5 Restriction on Owners' Actions. In addition to the other restrictions on the rights of Owners to request action upon the occurrence of an Event of Default and to enforce remedies set forth in this Article, no Owner will have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Master Indenture or any remedy under this Master Indenture or any Supplemental Indenture or the Bonds, unless (i) an Event of Default has occurred and is continuing of which the Trustee has been notified as provided in Section 14.1(h), or of which by such Section it is deemed to have notice; (ii) the Majority Owners of the Bonds have been made written request of the Trustee to institute the suit, action, proceeding or other remedy, after the right to exercise the powers or rights of action, as the case may be, has accrued, and have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted in this Master Indenture or to institute the action, suit or proceeding in its or their name; (iii) there has been offered to the Trustee security and indemnity reasonably satisfactory to it against the costs, expenses and liabilities to be incurred as provided in Section 14.1(1); and (iv) the Trustee has not complied with the request within a reasonable time. Such notification, request and offer of indemnity are declared, at the option of the Trustee, to be conditions precedent to the execution of the trusts of this Master Indenture or for any other remedy under this Master Indenture. It is intended that no one or more Owners will have any right to affect, disturb or prejudice the security of this Master Indenture, or to enforce any right under this Master Indenture or the Bonds, except in the manner provided for in this Master Indenture, and that all proceedings at law or in equity will be instituted, had and maintained in the manner
provided in this Master Indenture and for the benefit of all Owners. Nothing in this Master Indenture will affect or impair the right of the Owners to enforce payment of the Bonds in accordance with their terms.

Section 13.6 Power of Trustee to Enforce. All rights of action under this Master Indenture or under any of the Bonds secured by it which are enforceable by the Trustee may be enforced without the possession of any of the Bonds, or their production at the trial or other related proceedings. Any suit, action or proceedings instituted by the Trustee may be brought in its own name, as trustee, for the equal and ratable benefit of the Owners subject to the provisions of this Master Indenture.

Section 13.7 Remedies Not Exclusive. No remedy in this Master Indenture conferred on or reserved to the Trustee, or on or to the Owners, is intended to be exclusive of any other remedy, and each remedy is cumulative, and is in addition to every other remedy given under this Master Indenture or now or hereafter existing at law, in equity or by statute.

Section 13.8 Waiver of Events of Default; Effect of Waiver. (a) The Trustee will waive any Event of Default and its consequences at the written request of the Majority Owners of the Bonds Outstanding. If any Event of Default with respect to the Bonds has been waived as provided in this Master Indenture, the Trustee will promptly give written notice of the waiver to NVTA and by first class mail, postage prepaid, to all Owners if the Owners had previously been given notice of the Event of Default. No waiver, rescission and annulment will extend to or affect any subsequent Event of Default or impair any right, power or remedy available under this Master Indenture.

(b) No delay or omission of the Trustee or of any Owner to exercise any right, power or remedy accruing upon any default or Event of Default will impair any such right, power or remedy or will be construed to be a waiver of or acquiescence in any such default or Event of Default. Every right, power and remedy given by this Article to the Trustee and to the Owners, respectively, may be exercised from time to time and as often as may be deemed expedient.

Section 13.9 Application of Money. (a) Any amounts received by the Trustee pursuant to this Article will, after payment of the costs and expenses of the proceedings resulting in the collection of the money, the expenses, liabilities and advances incurred or made by the Trustee and the fees (whether ordinary or extraordinary) of the Trustee and expenses of NVTA in carrying out the provisions of this Master Indenture, be deposited in an appropriate Account that the Trustee will establish in the Revenue Fund. The amounts in such Account shall be applied as follows

FIRST: To the payment of the persons entitled to it of all installments of interest then due on the Bonds, in order of the maturity of the installments of such interest and, if the money available is not sufficient to pay in full any particular installment, then ratably, according to the amounts due on such installment, to the persons entitled to it, without any discrimination or privilege;
SECOND: To the payment of the persons entitled to it of the unpaid principal or Amortization Requirements of on any of the Bonds which have become due (other than Bonds matured or called for redemption for the payment of which money is held pursuant to the provisions of this Master Indenture), in the order of their due dates and, if the amount available is not sufficient to pay in full such Bonds due on any particular date, then ratably, according to the amount of principal due on such date, to the persons entitled to it without any discrimination or privilege;

THIRD: To the payment of the persons entitled to it of all installments of interest then due on the Subordinate Obligations, in order of the maturity of the installments of such interest and, if the money available is not sufficient to pay in full any particular installment, then ratably, according to the amounts due on such installment, to the persons entitled to it, without any discrimination or privilege; and

FOURTH: To the payment of the persons entitled to it of the unpaid principal or Amortization Requirements of any of the Subordinate Obligations that have become due (other than Subordinate Obligations matured or called for redemption for the payment of which money is held pursuant to the provisions of this Master Indenture), in the order of their due dates and, if the amount available is not sufficient to pay in full such Subordinate Obligations due on any particular date, then ratably, according to the amount of principal due on such date, to the persons entitled to it without any discrimination or privilege.

(b) Whenever money is to be applied pursuant to the provisions of this Section, it will be applied at such times, and from time to time, as the Trustee determines, having due regard to the amount of money available for application and the likelihood of additional money becoming available for application in the future. Whenever the Trustee applies such money, it will fix the date on which payment is to be made, and interest on the amount of principal to be paid on such date will cease to accrue. The Trustee will give, by first class mail as it may deem appropriate, notice to the Owners of the fixing of such payment date.

Section 13.10 Notice of Certain Defaults; Opportunity to Cure Such Defaults. Notwithstanding anything to the contrary in this Master Indenture, no default under Section 13.1(a)(4) will constitute an Event of Default until actual notice of the default is given to NVTA by the Trustee or by the Owners of not less than 25% in aggregate principal amount of all Outstanding Bonds, and NVTA has had (i) 30 days after receipt of the notice with respect to any default in the payment of money or (ii) 90 days after receipt of the notice of any other default to correct the default or to cause the default to be corrected; provided, however, that if the default can be corrected, but cannot within the applicable period, it will not constitute an Event of Default if corrective action is instituted by NVTA within the applicable period and diligently pursued until the default is corrected.

Section 13.11 Rights of Bond Credit Provider. Notwithstanding anything contained in this Master Indenture to the contrary, until NVTA has reimbursed a Bond Credit Provider for amounts paid under a Bond Credit Facility to pay the interest on or the principal of any Bonds on
any Payment Date, (i) such Bonds shall be deemed to be Outstanding and such Bond Credit Provider shall succeed to the rights and interests of the Owners to the extent of the amounts paid under the Bond Credit Facility until such amounts have been reimbursed and (ii) upon presentation to the Trustee, such Bond shall be registered in the name of the Bond Credit Provider or its nominee.

ARTICLE XIV
THE TRUSTEE

Section 14.1 Acceptance of Trusts and Obligations. The Trustee hereby accepts the trusts and obligations imposed upon it by this Master Indenture and agrees to perform such trusts and obligations, but only upon and subject to the following express terms and conditions and no implied covenants or obligations shall be read into this Master Indenture against the Trustee:

(a) The Trustee, before the occurrence of an Event of Default and after the curing of all Events of Default that may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Master Indenture and as a corporate trustee ordinarily would perform such duties under a corporate indenture. If an Event of Default has occurred (that has not been cured or waived), the Trustee shall exercise such of the rights and powers vested in it by this Master Indenture and the Related Series Supplement, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) The Trustee may execute any of the trusts or powers under this Master Indenture and perform any of its duties by or through attorneys, accountants, agents, receivers or employees, but shall be answerable for the conduct of the same in accordance with the standards specified in subsection (a) of this Section. The Trustee also shall be entitled to act on the opinion or advice of its counsel concerning all matters of trust and the duties under this Master Indenture, and may be reimbursed for reasonable compensation to all such attorneys, accountants, agents, receivers and employees as may reasonably be employed in connection with this Master Indenture. The Trustee may act on an Opinion of Counsel and shall not be responsible for any loss or damage resulting from any action or nonaction by it taken or omitted to be taken in good faith in reliance on such Opinion of Counsel.

(c) The Trustee shall not be responsible for any recital in this Master Indenture or in the Bonds (except in respect to the certificate of authentication of the Trustee endorsed on the Bonds), or for the filing or re-filing of any financing or continuation statement or other document or instrument, or for insuring any property of NVTA or collecting any insurance money, or for the validity of NVTA's execution of this Master Indenture or of any supplements to it or instruments of further assurance, or for the sufficiency of the security for the Bonds. The Trustee shall not be responsible or liable for any loss suffered in connection with any investment of money made by it in accordance with Article XI.

(d) The Trustee shall not be accountable for the use of any Bonds authenticated or delivered under this Master Indenture. The bank or trust company acting as Trustee and its directors, officers, employees or agents may in good faith buy, sell, own, hold and deal in the Bonds and may join in any action which any Owner may be entitled to take with

-34-
like effect as if such bank or trust company were not the Trustee. To the extent permitted by law, such bank or trust company may also receive tenders and purchase in good faith Bonds from itself, including any department, affiliate or subsidiary, with like effect as if it were not the Trustee.

(c) The Trustee shall be protected in acting on any Officer's Certificate, notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document reasonably believed by it to be genuine and correct and to have been signed or sent by the proper Person or Persons. Any action taken by the Trustee under this Master Indenture at the request, authority or consent of any Person who at the time of making such request or giving such authority or consent is the Owner of any Bond shall be conclusive and binding on all future Owners of the same Bond and on Bonds issued in exchange for it or in place of it.

(f) As to the existence of non-existence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled to rely on an Officer's Certificate as sufficient evidence of the facts therein contained. Before the occurrence of a default of which the Trustee has been notified as provided in subsection (h) of this Section, or of which by such subsection it is deemed to have notice, may also accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee may accept an Officer's Certificate to the effect that an attached resolution has been adopted by NVTA as conclusive evidence that such resolution has been duly adopted and is in full force and effect.

(g) The Trustee's permissive right to do things enumerated in this Master Indenture shall not be construed as a duty, and the Trustee shall not be answerable for other than its negligence or willful misconduct.

(h) The Trustee shall not be required to take notice or be deemed to have notice of any default under this Master Indenture, except defaults arising from the failure by NVTA to make any payments due on the Bonds or the failure by NVTA to file with the Trustee any document required by this Master Indenture to be so filed, unless the Trustee shall be notified of such default by NVTA or by the Owners of not less than twenty-five percent in aggregate principal amount of Bonds then Outstanding.

(i) The Trustee shall not be required to give any bond or surety with respect to the execution of its rights and obligations under this Master Indenture.

(j) Notwithstanding any other provision of this Master Indenture, the Trustee shall have the right, but shall not be required, to demand, as a condition of (i) any action by the Trustee in respect of the authentication of any Bonds, (ii) the withdrawal of any cash, (iii) the release of any property or (iv) any action whatsoever within the purview of this Master Indenture, any showings, certificates (including Officer's Certificates), opinions, appraisals or other information or corporate action or evidence thereof reasonably required by the Trustee, in addition to that required by the terms of this Master Indenture.
(k) All money the Trustee receives shall, until used or applied or invested as provided in this Master Indenture, be held in trust for the purposes for which it was received but need not be segregated from other funds except to the extent required by this Master Indenture or by law. The Trustee shall not be under any liability for interest on any money received under this Master Indenture except as may be agreed upon in writing.

(l) Before taking any action under this Master Indenture, the Trustee may require that indemnity to its satisfaction be furnished to it for the reimbursement of all expenses which may be incurred by it and to protect it against all liability by reason of any action so taken, except liability which is adjudicated to have resulted from its negligence or willful misconduct.

Section 14.2 Fees, Charges and Expenses of Trustee. If NVTA fails to make any payment on a Series of Bonds on the day such payment is due and payable, the Trustee shall give notice thereof by telephone or facsimile to NVTA on the next succeeding Business Day. If (i) any such failure of NVTA to make a payment on a Series of Bonds continues for thirty days, or (ii) the Owners of not less than twenty-five percent in aggregate principal amount of Bonds then Outstanding notify the Trustee of any default under this Master Indenture, then the Trustee shall give notice of such default by registered or certified mail to the Owner of each Bond of such Series then Outstanding. The Trustee's failure to give any notice required by this Section shall not subject the Trustee to any liability to any person, firm, corporation or other entity, including, but not limited to, NVTA and the Owners, nor shall such failure relieve NVTA of its obligation to make payments under the Bonds and this Master Indenture or waive the Trustee's right to exercise its remedies under this Master Indenture.

Section 14.3 Notice Required of Trustee. If NVTA fails to make any payment on a Series of Bonds on the day such payment is due and payable, the Trustee shall give notice thereof by telephone or facsimile to NVTA on the next succeeding Business Day. If (i) any such failure of NVTA to make a payment on a Series of Bonds continues for thirty days, or (ii) the owners of not less than twenty-five percent in aggregate principal amount of Bonds then Outstanding notify the Trustee of any default under this Master Indenture, then the Trustee shall give notice of such default by registered or certified mail to the Owner of each Bond of such Series then Outstanding. The Trustee's failure to give any notice required by this Section shall not subject the Trustee to any liability to any person, firm, corporation or other entity, including, to make payments under the Bonds and this Master Indenture or waive the Trustee's right to exercise its remedies under this Master Indenture.

Section 14.4 Intervention by Trustee. In any judicial proceeding to which NVTA is a party and that in the Trustee's opinion has a substantial bearing on the Owners' interests, the Trustee may intervene on the Owners' behalf and, subject to Section 14.1(1), shall do so if requested by the Owners of not less than 25% in aggregate principal amount of Bonds then Outstanding. The Trustee's rights and obligations under this Section are subject to the approval of a court of competent jurisdiction.

Section 14.5 Merger or Consolidation of Trustee. Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger,
consolidation or transfer to which it is a party, shall be and become successor Trustee under this Master Indenture and vested with all the trusts, powers, discretion, immunities, privileges and all other matters as were vested in its predecessor without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties to this Master Indenture, anything herein to the contrary notwithstanding, if such corporation or association satisfies the requirements of the last sentence of Section 14.8.

Section 14.6 Resignation by Trustee. If the Trustee desires to resign at any time from the trusts created by this Master Indenture, its shall give notice to NVTA and each Owner of Bonds then Outstanding, but shall continue to serve as Trustee until such time as a successor Trustee is appointed. If a successor Trustee has not been appointed within thirty days, the Trustee shall have the right to petition a court of competent jurisdiction for appointment of a successor Trustee and such resignation shall become effective upon designation of such successor Trustee.

Section 14.7 Removal of Trustee. The Trustee may be removed at any time (i) by an instrument or concurrent instruments in writing delivered to the Trustee and to NVTA and signed by the Owners of a majority in aggregate principal amount of Bonds then Outstanding or (ii) by NVTA by notice in writing given by a NVTA Representative to the Trustee not less than sixty days before the removal date; provided, however, that NVTA shall have no right to remove the Trustee during any time when an Event of Default has occurred and is continuing or when an event has occurred and is continuing or condition exists that with the giving of notice or the passage of time, or both, would be an Event of Default. If applicable, the removed Trustee shall return to NVTA the amount of the Trustee's annual fee allocable to the portion of the then current year remaining after the removal date. Notwithstanding the foregoing, nothing contained in this Master Indenture shall relieve NVTA of its obligation to pay the Trustee's fees and expenses incurred to the date of such removal.

Section 14.8 Appointment of Successor Trustee; Temporary Trustee. If the Trustee shall resign, be removed, be dissolved, be in the course of dissolution or liquidation or otherwise become incapable of acting hereunder, or if it shall be taken under the control of any public officer or officers or of a receiver appointed by a court, then, unless an Event of Default with respect to any Series of Bonds has occurred and is continuing, a successor may be appointed by NVTA by an instrument in writing signed by a NVTA Representative. If an Event of Default has occurred and is continuing, a successor may be appointed by the Owners of a majority in aggregate principal amount of Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such Owners. In case of such vacancy, NVTA, by an instrument signed by a NVTA Representative, may appoint a temporary Trustee to fill such vacancy until a successor Trustee shall be appointed by the Owners as provided above and any such temporary Trustee so appointed by NVTA shall immediately and without further act be replaced by the Trustee so appointed by such Owners. Any Trustee appointed under this Section shall be, if there be such an institution willing, qualified and able to accept the trust upon reasonable or customary terms, (i) a bank or trust company within or without the Commonwealth of Virginia, in good standing and having a reported capital, surplus and undivided profits of not less than $50,000,000, or (ii) a subsidiary trust company whose parent bank or bank holding company has undertaken to be fully responsible for the acts and omissions of such subsidiary
trust company, and whose capital, surplus and undivided profits, together with that of its parent bank or bank holding company, as the case may be, is not less than $50,000,000.

Section 14.9 Concerning any Successor Trustee. Every successor Trustee appointed under this Master Indenture shall execute, acknowledge and deliver to its predecessor and also to NVTA an instrument in writing accepting such appointment, and thereafter such successor, without any further act, deed or conveyance, shall become fully vested with all the properties, rights, powers, trusts, duties and obligations of its predecessor. Such predecessor shall, nevertheless, on the written request of NVTA or the Trustee's successor, execute and deliver an instrument transferring to such successor Trustee all the properties, rights, powers and trusts of such predecessor under this Master Indenture; and every predecessor Trustee shall deliver all securities and money held by it as Trustee under this Master Indenture to its successor. Should any instrument in writing from NVTA be required by any successor Trustee for more fully and certainly vesting in such successor the properties, rights, powers and duties hereby vested or intended to be vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by NVTA. The resignation of any Trustee and the instrument or instruments removing any Trustee and appointing a successor hereunder, together with all other instruments provided for in this Article, shall be filed and/or recorded by the successor Trustee in each recording office where this Master Indenture may have been filed and/or recorded.

Section 14.10 Trustee Protected in Relying on Resolutions. The resolutions, opinions, certificates and other instruments provided for in this Master Indenture may be accepted by the Trustee as conclusive evidence of the facts and conclusions stated therein and shall be full warrant, protection and authority to the Trustee for the release of property, the withdrawal of cash hereunder or the taking of any other action by the Trustee as provided under this Master Indenture, unless the Trustee has actual knowledge or notice to the contrary.

Section 14.11 Appointment of and Acceptance of Paying Agent. NVTA may at any time or from time to time appoint one or more Paying Agents for each Series of Bonds in the manner and subject to the conditions set forth in Section 14.12 for the appointment of a successor Paying Agent. Unless another Paying Agent is appointed for a Series of Bonds in the Related Series Supplement, the Trustee shall serve as Paying Agent. Each Paying Agent (other than the Trustee) will signify its acceptance of the duties and obligations imposed on it under this Master Indenture and any Supplemental Indenture by written instrument of acceptance deposited with NVTA and the Trustee.

Section 14.12 Resignation or Removal of Paying Agent; Appointment of Successor.

(a) Any Paying Agent may at any time resign and be discharged of the duties and obligations created by this Master Indenture by giving at least sixty days written notice to NVTA and the Trustee. Any Paying Agent may be removed at any time by an instrument signed by a NVTA Representative and filed with the Paying Agent and the Trustee. Any successor Paying Agent shall be appointed by NVTA, and shall be a bank or trust company duly organized under the laws of the United States or any of its states or territories, having a capital stock and surplus aggregating at least $50,000,000, and willing and able to accept the office on reasonable
and customary terms and authorized by law to perform all the duties imposed upon the Paying Agent by this Master Indenture and any Supplemental Indenture.

(b) If any Paying Agent resigns or is removed, the Paying Agent shall pay over, assign and deliver any money held by it as Paying Agent to its successor or to the Trustee. If for any reason there is a vacancy in the office of any Paying Agent, the Trustee shall act as such until a new Paying Agent is appointed.

Section 14.13 Notification to Rating Agency. The Trustee shall notify each Rating Agency of (i) the execution and delivery of any Supplemental Indenture, (ii) the appointment of any successor Trustee under this Master Indenture, and (iii) the payment or redemption in full of the Bonds. Notice of any of the foregoing shall be given to the Rating Agency before or as soon as possible after its occurrence.

ARTICLE XV
SUPPLEMENTAL INDENTURES

Section 15.1 Supplemental Indentures Not Requiring Consent of Owners. NVTA and the Trustee may, without the consent of, or notice to, any of the Owners of the Bonds, enter into such Supplemental Indenture or Supplemental Indentures as shall not be inconsistent with the terms and provisions of this Master Indenture or any Series Supplement for any one or more of the following purposes:

(a) To cure or correct any ambiguity, formal defect, omission or inconsistent provision in this Master Indenture or in a Series Supplement.

(b) To grant to or confer on the Trustee for the benefit of the Owners any additional rights, remedies, powers or authority that may lawfully be granted to or conferred on the Owners or the Trustee or either of them.

(c) To subject to the lien and pledge of this Master Indenture additional revenues, properties or collateral.

(d) To provide for the issuance of coupon Bonds if authorized under the Related Series Supplement.

(e) To amend certain provisions of this Master Indenture or any Series Supplement in any manner consistent with Sections 103 and 141 through 150 of the Code (or such other hereinafter enacted sections of the Code as may be applicable to the Bonds) as in effect at the time of the amendment.

(f) To confirm, as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by, this Master Indenture or any Series Supplement of the Regional NVTA Funds or any other moneys, property or Funds or Accounts.

(g) To modify, amend or supplement this Master Indenture or any Supplemental Indenture as required to permit its qualification under the Trust Indenture Act of 1939, as amended, or any similar federal statute hereafter in effect, or to permit the qualification
of any of the Bonds for sale under the securities laws of any of the states of the United States, and, if NVTA and the Trustee so determine, to add to this Master Indenture or any Supplemental Indenture such other terms, conditions and provisions as may be permitted by the Trust Indenture Act of 1939, as amended, or similar federal statute.

(h) To add to the covenants and agreements of NVTA contained in this Master Indenture or any Supplemental Indenture other covenants and agreements thereafter to be observed for the Owners' protection, including, but not limited to, additional requirements imposed by virtue of a change of law, or to surrender or to limit any right, power or authority therein reserved to or conferred upon NVTA.

(i) To amend, modify or change the terms of any agreements governing any book-entry-only system for any of the Bonds.

(j) In the case of Series Supplements, to provide for the issuance of additional Series of Bonds (including Refunding Bonds) and to provide for such other related matters as may be required or contemplated by or appropriate under this Master Indenture.

(k) To make any changes necessary to comply with the requirements of a Rating Agency, a Bond Credit Provider, or a DSRF Credit Provider that, as expressed in a finding or determination by NVTA (which is included in the Supplemental Indenture), would not materially adversely affect the security for the Bonds.

(l) To make any other changes that (i) will have no adverse effect upon the ratings currently assigned to the applicable Series of Bonds by any Rating Agency, as expressed in a Rating Confirmation or (ii) shall not prejudice in any material respect the rights of the Owners of the Bonds then Outstanding, as expressed in a determination or finding by NVTA (which shall be stated in the Supplemental Indenture, and may be based upon an Opinion of Counsel and/or the opinion of NVTA's financial advisor).

(m) To restate in one document this Master Indenture and all effective Series Supplements and other Supplemental Indentures, which restatement shall then become this Master Indenture for all purposes, effective as of the date of this Master Indenture with respect to matters set forth therein and as of the date of any Supplemental Indenture included in the restatement as to matters set forth in any such Supplemental Indenture. Series Supplements and the Bonds issued thereunder prior to a restatement shall be deemed to relate to the restated Master Indenture without any further action or amendment.

Section 15.2 Supplemental Indentures Requiring Consent. Exclusive of Supplemental Indentures covered by Section 15.1 and subject to the terms and provisions contained in this Section, the Owners of a majority in aggregate principal amount of Bonds then Outstanding shall have the right from time to time, notwithstanding any other provision of this Indenture, to consent to and approve the execution by NVTA and the Trustee of such other Supplemental Indenture or Supplemental Indentures as NVTA shall deem necessary or desirable to modify, alter, amend, add to or rescind, in any particular, any of the terms or provisions contained in this Master Indenture or in any Supplemental Indenture; provided, however, that without the consent and approval of the Owners of all of the affected Bonds then Outstanding
nothing in this Master Indenture shall permit, or be construed as permitting (i) an extension of
the maturity of the principal of or the interest on any Bond, (ii) a reduction in the principal
amount of any Bond or the rate of interest on it, (iii) a privilege or priority of any Bond or Bonds
over any other Bond or Bonds except as otherwise provided herein, or (iv) a reduction in the
aggregate principal amount of Bonds required for consent to such Supplemental Indenture.

If at any time NVTA shall request the Trustee to enter into any such Supplemental
Indenture for any of the purposes of this Section, the Trustee shall, upon being satisfactorily
indemnified with respect to expenses, cause notice of the proposed execution of the
Supplemental Indenture to be mailed to each Owner of Bonds then Outstanding by registered or
certified mail to the address of each such Owner as it appears on the registration books for the
Bonds; provided, however, that failure to give such notice by mailing, or any defect in it, shall
not affect the validity of any proceedings under this Section. Such notice shall briefly state the
nature of the proposed Supplemental Indenture and shall state that copies of it are on file at the
Trustee's designated corporate trust office for inspection by all Owners. If, within six months or
such longer period as shall be prescribed by NVTA following the giving of such notice, the
Owners of a majority in aggregate principal amount of Bonds then Outstanding shall have
consented to and approved its execution as provided under this Section, no Owner of any Bond
shall have any right to object to any of the terms and provisions contained in it, or its operation,
or in any manner to question the propriety of its execution, or to enjoin or restrain the Trustee or
NVTA from executing such Supplemental Indenture or from taking any action under its
provisions. Upon the execution of any such Supplemental Indenture as is this Section permitted
and provided, this Master Indenture shall be deemed to be modified and amended in accordance
therewith.

Bonds owned or held by or for the account of NVTA or any Person controlling,
controlled by or under common control with NVTA shall not be deemed Outstanding for the
purpose of consent or any calculation of Outstanding Bonds provided for in this Article XV. At
the time of any such calculation, NVTA shall furnish the Trustee an Officer's Certificate, upon
which the Trustee may rely, describing all Bonds so to be excluded.

Anything contained in this Master Indenture to the contrary notwithstanding, NVTA and
the Trustee may enter into any Supplemental Indenture upon receipt of the consent of the
Owners of all Bonds then Outstanding.

Section 15.3 Opinion of Counsel Required. The Trustee shall not execute any
Supplemental Indenture unless there shall have been filed with the Trustee an Opinion (or
Opinions) of Counsel, subject to customary exceptions and qualifications, stating that (i) such
Supplemental Indenture is authorized or permitted by this Master Indenture and (ii) upon
execution the Supplemental Indenture will be valid and binding on NVTA in accordance with its
terms.

Section 15.4 No Unreasonable Refusal. The Trustee shall not unreasonably refuse to
enter into any Supplemental Indenture permitted under this Article; provided, however, that such
refusal shall not be deemed unreasonable if the Trustee believes in good faith that such
Supplemental Indenture will or may prejudice any right of the Owners of the Bonds then
Outstanding or adversely affect the rights and immunities, or increase the duties, of the Trustee.
ARTICLE XVI
MISCELLANEOUS

Section 16.1 Consents of Owners. Any consent, request, direction, approval, objection or other instrument required by this Master Indenture to be signed and executed by the Owners of the Bonds may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owners in person or by agents appointed in writing. Proof of the execution of any such consent, request, direction, approval, objection or other instrument or of the writing appointing any such agents, if made in the manner stated in the next sentence, shall be sufficient for any of the purposes of this Master Indenture, and shall be conclusive in the Trustee's favor with regard to any action taken under such request or other instrument. The fact and date of the execution by any person of any such writing may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such writing acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

Section 16.2 Limitation of Rights. With the exception of the rights expressly conferred in this Master Indenture, nothing expressed or mentioned or to be implied from this Master Indenture or the Bonds is intended or shall be construed to give to any person or entity other than the parties to this Master Indenture and the Owners any legal or equitable right, remedy or claim under or in respect to this Master Indenture or any covenants, conditions and agreements contained in it; this Master Indenture and all of the covenants, conditions and agreements in it being intended to be and being for the sole and exclusive benefit of the parties to it and the Owners.

Section 16.3 Limitation of Liability of Directors, Officers, Etc., of Authority and the Trustee. No covenant, agreement or obligation contained in this Master Indenture shall be deemed to be a covenant, agreement or obligation of any present or future director, officer, employee or agent of NVTA or the Trustee in his or her individual capacity, and neither the directors of NVTA or the Trustee nor any officer, employee or agent thereof executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of their execution or issuance. No director, officer, employee, agent or adviser of NVTA or the Trustee shall incur any personal liability with respect to any action taken by him or her under this Master Indenture or the Act, provided such director, officer, employee, agent or adviser acts in good faith.

Section 16.4 Notices. (a) The 2013 Bonds shall be dated the Dated Date, shall be issued in denominations of $5,000 and integral multiples of $5,000, shall be numbered from R-1 upwards, sequentially, and shall bear interest, payable on each April 1 and October 1, commencing on October 1, 2014, at the rates set forth below and shall mature, subject to prior redemption, on October 1 in the years and in the amounts set forth below:

</table>

(a) Each 2013 Bond shall bear interest (i) from the Dated Date, if such 2013 Bond is authenticated before October 1, 2014, or (ii) otherwise from the Interest Payment Date that is, or immediately precedes, the date on which such 2013 Bond is authenticated; provided, however, that if at the time of authentication any payment of interest is in default, such 2013 Bond shall bear interest from the date to which interest has been paid. Interest on the 2013 Bonds shall be computed on the basis of a year of 360 days and twelve 30-day months.

(b) Interest on the 2013 Bonds shall be payable by checks or drafts mailed to the Owners thereof at their addresses as they appear on the fifteenth day of the month preceding the Interest Payment Date on the registration books kept by the Paying Agent. Notwithstanding the foregoing, if (i) the Owner of a 2013 Bond owns at least $1,000,000 in aggregate principal
amount of 2013 Bonds and (ii) such Owner has provided satisfactory prior notice to the Paying Agent regarding payment by wire transfer, then interest shall be paid to such Owner by wire transfer. Principal of and premium, if any, on the 2013 Bonds shall be payable to the Owners thereof upon the surrender of the 2013 Bonds at the Paying Agent's corporate trust office in Virginia.

(c) Notwithstanding the foregoing, for so long as Cede & Co. or other nominee of DTC is Owner of all of the 2013 Bonds, principal of and premium, if any, and interest on the 2013 Bonds shall be payable as provided in the Letter of Representations.

(d) The principal of and premium, if any, and interest on the 2013 Bonds shall be payable in lawful money of the United States of America.

(e) If the principal of any 2013 Bond is not paid when due (whether at maturity, by mandatory sinking fund redemption or call for redemption or otherwise), then the overdue principal shall continue to bear interest until paid at the rate set forth in the 2013 Bond.

(f) The 2013 Bonds maturing on October 1, ___, and October 1, ___, are Term Bonds. The Amortization Requirements for such Term Bonds are set forth in Section 3.2 below. All of the other 2013 Bonds are Serial Bonds.

Section 2.3 Book Entry Provisions for the 2013 Bonds. (a) The 2013 Bonds will be registered in the name of Cede & Co., a nominee of The Depository Trust Company, New York, New York ("DTC"), and immobilized in DTC's custody. One fully registered Bond for the original principal amount of each maturity of each Series will be registered to Cede & Co. Beneficial owners of the 2013 Bonds will not receive physical delivery of the 2013 Bonds. Individual purchases of the 2013 Bonds may be made in book-entry form only in original principal amounts of $5,000 and integral multiples of $5,000. For as long as the 2013 Bonds are held in book-entry format, payments of principal of and premium, if any, and interest on the 2013 Bonds will be made to DTC or its nominee as the sole Owner on the applicable Payment Date in accordance with the Letter of Representations.

DTC is responsible for the transfer of the payments of the principal of and premium, if any, and interest on the 2013 Bonds to the participants of DTC, which include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations (the "Participants"). Transfer of the payments of the principal of and premium, if any, and interest on the 2013 Bonds to the beneficial owners of the 2013 Bonds is the responsibility of the Participants and other nominees of such beneficial owners.

Transfer of beneficial ownership interests in the 2013 Bonds shall be made by DTC and its Participants, acting as nominees of the beneficial owners of the 2013 Bonds, in accordance with rules specified by DTC and its Participants. Neither NVTA, the Trustee nor the Paying Agent makes any assurances that DTC, its Participants or other nominees of the beneficial owners of the 2013 Bonds will act in accordance with such rules or on a timely basis.

NVTA, the Trustee and the Paying Agent disclaim any responsibility or obligations to the Participants or the beneficial owners with respect to (i) the accuracy of any records maintained by DTC or any Participant, (ii) the payment by DTC or any Participant of any
amount due to any beneficial owner in respect of the principal of and premium, if any, and interest on the 2013 Bonds, (iii) the delivery by DTC or any Participant of any notice to any beneficial owner that is required or permitted under the terms of the Master Indenture or this First Series Supplement to be given to Owners of the 2013 Bonds, (iv) the selection of the beneficial owners to receive payment in any partial redemption of the 2013 Bonds, or (v) any consent given or other action taken by DTC as Owner.

So long as Cede & Co., as nominee of DTC, is the sole Owner of the 2013 Bonds, references in the Master Indenture or this First Series Supplement to the Owners or registered owners of the 2013 Bonds shall mean Cede & Co. and not the beneficial owners of the 2013 Bonds. Any notice to or consent requested of Owners of 2013 Bonds under the Master Indenture or this First Series Supplement shall be given to or requested of Cede & Co.

(b) Replacement Bonds (the "Replacement Bonds") will be registered in the name of and be issued directly to beneficial owners of the 2013 Bonds rather than to DTC, or its nominee, but only if:

(1) DTC determines not to continue to act as securities depository for the 2013 Bonds; or

(2) The Trustee or NVTA has advised DTC of NVTA's determination that DTC is incapable of discharging its duties or that it is otherwise in the best interests of the beneficial owners of the 2013 Bonds to discontinue the book-entry system of transfer.

(c) Upon the occurrence of an event described in subsection (b)(1)(A) or (B) above (and the Trustee and NVTA undertake no obligation to make any investigation regarding the matters described in subsection (b)(1)(B) above, NVTA may attempt to locate another qualified securities depository. If NVTA fails to locate another qualified securities depository to replace DTC, NVTA shall execute and the Paying Agent shall authenticate and deliver to the Participants the Replacement Bonds (substantially in the form set forth in Exhibit B with such appropriate variations, omissions and insertions as are permitted or required by the Master Indenture or this First Series Supplement) to which the Participants are entitled for delivery to the beneficial owners of the 2013 Bonds. The Paying Agent shall be entitled to rely on the records provided by DTC as to the Participants entitled to receive Replacement Bonds. The Owners of the Replacement Bonds shall be entitled to the lien and benefits of the Master Indenture and this First Series Supplement.

Section 2.4 Form of 2013 Bonds. Each of the 2013 Bonds shall be substantially in the form attached as Exhibit B to this First Series Supplement, with such appropriate variations, omissions and insertions as permitted or required by the Master Indenture or this First Series Supplement. There may be endorsed on any of the 2013 Bonds such legend or text as may be necessary or appropriate to conform to any applicable rules and regulations of any governmental authority or any usage or requirement of law.
Section 2.5 **Authentication of 2013 Bonds.** Each 2013 Bond shall bear a certificate of authentication, substantially as set forth in the applicable form of the 2013 Bond attached as an exhibit, duly executed by the Paying Agent. The Paying Agent shall authenticate each 2013 Bond with the signature of one of its authorized officers or employees, but it shall not be necessary for the same person to authenticate all of the 2013 Bonds. Only such authenticated 2013 Bonds shall be entitled to any right or benefit under the Master Indenture or this First Series Supplement, and such certificate on any 2013 Bond shall be conclusive evidence that the 2013 Bond has been duly issued under and is secured by the provisions of the Master Indenture and this First Series Supplement.

(c) NVTA shall receive a credit for payments required to be made on any mandatory sinking fund redemption date in an amount equal to the principal amount of any of the Term Bonds subject to mandatory sinking fund redemption on such date as described in...

(c) Each increment of $5,000 of principal amount of 2013 Bonds shall be counted as one 2013 Bond for purposes of selecting 2013 Bonds for a partial redemption.

(d) If a 2013 Bond shall be called for partial redemption, upon its surrender a new 2013 Bond, representing the unredeemed balance of the principal amount of the 2013 Bond, shall be issued to its Owner.

**Section 3.4 Notice of Redemption.** (a) When (i) required to redeem 2013 Bonds under any provision of the Master Indenture or this First Series Supplement or (ii) directed to do so by a NVTA Representative in writing, the Paying Agent shall cause notice of the redemption to be mailed by certified or registered mail, not less than thirty (30) nor more than sixty (60) days before the redemption date, to all Owners of 2013 Bonds to be redeemed at their addresses as they appear on the registration books maintained by the Paying Agent; provided, however, that the failure to mail any such notice or any defect in the mailing to any one or more of the Owners shall not affect the validity of the redemption with respect to any Owners to whom such notice was properly mailed.

(b) The Trustee shall give further notice of such redemption not less than one day before the date on which it gives notice of redemption to the Owners by certified or registered mail to (i) all registered national securities depositories then in the business of holding substantial amounts of obligations of types similar to the 2013 Bonds and (ii) to at least one national information service that disseminates notices of redemption of obligations such as the 2013 Bonds. (c) Any notice of redemption may state that it is conditioned upon there being available on the redemption date an amount of money sufficient to pay the redemption price plus interest accrued and unpaid to the redemption date, and any conditional notice so given may be rescinded at any time before the payment of the redemption price of any such condition so specified is not satisfied.

(d) Any notice of redemption mailed in the manner specified above shall be deemed to have been duly given when mailed by the Paying Agent.

(b) Any amounts deposited in the 2013 Cost of Issuance Fund as described in Section 4.2(a)(i) that are not applied in accordance with Section 9.1 of the Master Indenture to pay the costs of issuance of the 2013 Bonds shall be transferred by NVTA to the 2013 Bond Debt Service Fund and applied by the Trustee to pay debt service on the 2013 Bonds before any other amounts therein are so used.

Section 5.2 2013 Bond Debt Service Fund and 2013 Debt Service Reserve Fund and Partial Refunding Bonds. (a) NVTA may elect in the Related Series Supplement to have the 2013 Bond Debt Service Fund or the 2013 Debt Service Reserve Fund, or both, provide for the payment of or secure a Series of Partial Refunding Bonds, or both.

(b) If NVTA makes the above-described election with respect to the 2013 Debt Service Reserve Fund, then the definition of "Reserve Requirement" as set forth herein shall change to read as follows: "Reserve Requirement" means an amount equal to the maximum Principal and Interest Requirements in the then-current or any future Fiscal Year on the Outstanding 2013 Bonds and the Outstanding Partial Refunding Bonds.

Section 5.3 2013 Rebate Fund. The Trustee shall invest and apply amounts on deposit in the 2013 Rebate Fund as directed by Officer's Certificates provided pursuant to and in accordance with the 2013 Tax Regulatory Agreement.

ARTICLE VI
SPECIAL COVENANTS

Section 6.1 2013 Tax Regulatory Agreement. (a) NVTA agrees that it will not take any action, or omit to take any action, if any such action or omission would adversely affect the excludability from gross income of interest on the 2013 Bonds under Section 103 of the Tax Code. NVTA agrees that it will not directly or indirectly use or permit the use of any proceeds of the 2013 Bonds or any other funds of NVTA or take or omit to take any action that would cause the 2013 Bonds to be "arbitrage bonds" under Section 148(a) of the Tax Code. To these ends, NVTA will comply with all requirements of Sections 141 through 150 of the Tax Code, including the Rebate Requirement, to the extent applicable to the 2013 Bonds.

(b) Without limiting the generality of the foregoing, NVTA agrees that (i) it will not directly or indirectly use or permit the use of the proceeds of the 2013 Bonds except in accordance with the 2013 Tax Regulatory Agreement and (ii) insofar as the 2013 Tax Regulatory Agreement imposes duties and responsibilities on NVTA, the 2013 Tax Regulatory Agreement is specifically incorporated by reference into this Section.

(c) The Trustee agrees to comply with all written instructions of a NVTA Representative given in accordance with the 2013 Tax Regulatory Agreement, but the Trustee shall not be required to ascertain that the instructions comply with the 2013 Tax Regulatory
Agreement. The Trustee shall be entitled to receive and may request from time to time from NVTA written instructions from a nationally-recognized bond counsel acceptable to the Trustee regarding the interpretation of Sections 141 through 150 of the Tax Code, and the Trustee agrees that it will comply with such directions (upon which the Trustee and NVTA may conclusively rely) so as to enable NVTA to perform its covenants under this Section.

(d) Notwithstanding any provisions of this Section, if NVTA shall provide to the Trustee an opinion of nationally-recognized bond counsel addressed and acceptable to NVTA and the Trustee to the effect that any action required under this Section by incorporation or otherwise is not required or is no longer require to maintain the excludability from gross income of the interest on the 2013 Bonds under Section 103 of the Tax Code, NVTA and the Trustee may rely conclusively on such opinion in complying with the provisions of this Section.

Section 6.2 Bond Insurance Covenants. [Reserved].

PRINCIPAL AMOUNT:

NORTHERN VIRGINIA TRANSPORTATION AUTHORITY, a political subdivision of the Commonwealth of Virginia ("NVTA"), acknowledges itself indebted and for value received promises to pay upon surrender of this Bond at the corporate trust office of [a Trustee to be named], or its successor, as paying agent (the "Paying Agent") under the Indenture (as defined below), to the registered owner of this Bond (the "Owner"), or registered assigns or legal representative, the principal sum stated above on the maturity date stated above, and to pay interest on this Bond semiannually on each April 1 and October 1, commencing October 1, 2014, at the annual rate stated above, solely from the sources pledged for such purpose as described below. The principal of and premium, if any, and interest on this Bond are payable in lawful money of the United States of America.

"Indenture" means the Master Indenture of Trust dated as of July 1, 2013 (the "Master Indenture"), between NVTA and [a Trustee to be named], or its successor, as trustee (the "Trustee"), and as supplemented by the First Supplemental Series Indenture of Trust dated as of July 1, 2013 (the "First Series Supplement," and together with the Master Indenture, the "Indenture"), between NVTA and the Trustee. Unless otherwise defined, each capitalized term used in this Bond has the meaning given it in the Indenture.

Interest is payable (i) from the dated date set forth above (the "Dated Date"), if this Bond is authenticated before __________, 20__, or (ii) otherwise from the interest payment date that is, or immediately precedes, the date on which this Bond is authenticated (unless payment of interest on this Bond is in default, in which case this Bond shall bear interest from the date to
which interest has been paid). Interest on this Bond is computed on the basis of a year of 360 days and twelve 30-day months.

Interest is payable by check or draft mailed to the holder of this Bond at the address that appears on the fifteenth day of the month preceding each interest payment date on the registration books kept by the Paying Agent. Notwithstanding the foregoing, if (i) the Owner of this Bond owns at least $1,000,000 in aggregate principal amount of Bonds (as defined below), and (ii) such Owner has provided satisfactory prior notice to the Trustee regarding payment by wire transfer, then interest shall be paid to such Owner by wire transfer. Notwithstanding anything to the contrary contained in this Bond or in the Indenture, for so long as Cede & Co. or any other nominee of The Depository Trust Company ("DTC") is the Owner of all of the Bonds, the principal of and premium, if any, and interest on this Bond shall be payable pursuant to the additional requirements provided under NVTA's Blanket Issuer Letter of Representations to DTC dated _____________, 2014.

If the date of maturity of the principal of this Bond or the date fixed for the payment of interest on or the redemption of this Bond shall not be a Business Day (as defined in the Indenture), then payment of principal, premium, if any, and interest need not be made on such date, but may be made on the next succeeding Business Day, and, if made on such next succeeding Business Day, no additional interest shall accrue for the period after such date of maturity or date fixed for the payment of interest or redemption.

This Bond and the issue of which it is a part and the premium, if any, and the interest on them are limited obligations of NVTA and payable solely from the revenues, moneys and other property pledged to the Trustee for such purpose under the Indenture on a parity with the other Bonds issued simultaneously herewith and the other Outstanding Bonds or hereafter to be issued under the Indenture. THE PRINCIPAL OF AND PREMIUM, IF ANY, AND INTEREST ON THIS BOND SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OF THE COMMONWEALTH OF VIRGINIA OR ANY POLITICAL SUBDIVISION THEREOF (INCLUDING ANY MEMBER LOCALITY) OTHER THAN NVTA. THIS BOND SHALL NOT CONSTITUTE AN INDEBTEDNESS WITHIN THE MEANING OF ANY DEBT LIMITATION OR RESTRICTION EXCEPT AS PROVIDED UNDER THE NVTA ACT.

This Bond is one of an issue of [S105,000,000] Transportation Facilities Revenue Bonds, Series 2013 (the "Bonds"), of like date and tenor, except as to number, denomination, rate of interest, privilege of redemption and maturity, authorized and issued by NVTA pursuant to the Northern Virginia Transportation Authority Act, Chapter 48.2, Title 15.2, Code of Virginia of 1950, as amended, a resolution adopted by NVTA on July 24, 2013, and the Indenture, to provide proceeds to be used, along with other available funds to pay the issuance and financing costs of the Bonds, to fund any required reserves and to pay the costs of the construction and acquisition of the transportation facilities and projects described in Exhibit A to the First Series Supplement.

Reference is made to the Indenture and all amendments and supplements to it for a description of the provisions, among others, with respect to the nature and extent of the security for the Bonds, the rights, duties and obligations of NVTA and the Trustee, the rights of the Owners of the Bonds and the terms upon which the Bonds are issued and secured. NVTA may
from time to time hereafter issue additional bonds ranking equally with or subordinate to the Bonds for certain purposes on the terms provided in the Indenture.

The Bonds may not be called for redemption except as provided in the Indenture and as described in the succeeding numbered paragraphs.

(1) The Bonds maturing on or before October 1, 20__, will not be subject to optional or mandatory redemption.

(3) The Bonds maturing on October 1, 20__, are required to be redeemed in part before maturity and paid at maturity by NVTA on October 1 20__ in the years and in the amounts set forth below, at a redemption price equal to 100% of the principal amount of such Bonds to be redeemed plus interest accrued to the date fixed for redemption:

(5) NVTA shall receive a credit for payments required to be made on any mandatory sinking fund redemption date in an amount equal to the principal amount of any of the Bonds subject to mandatory sinking fund redemption on such date as described in paragraphs (3) and (4) above that have been redeemed (otherwise than by mandatory sinking fund redemption) before such mandatory sinking fund redemption date or purchased by NVTA or by anyone acting on behalf of NVTA as provided pursuant to the Master Indenture.
The maturities of the Bonds to be redeemed by optional redemption shall be selected by NVTA. In the case of any partial redemption of a maturity of the Bonds, the particular Bonds to be redeemed shall be selected by DTC in accordance with its procedures or, if the book-entry system has been discontinued, by the Paying Agent by lot in such manner as the Paying Agent shall determine. Each increment of $5,000 principal amount of Bonds shall be counted as one Bond for purposes of selecting Bonds for a partial redemption. If this Bond shall be called for partial redemption, upon its surrender a new Bond representing the unredeemed balance of the principal amount will be issued to the Owner.

If any of the Bonds are called for redemption, the Paying Agent shall send notice of the call for redemption identifying the Bonds to be redeemed by first class mail not less than thirty nor more than sixty days before the date fixed for redemption to the Owner of each Bond to be redeemed at such Owner's address as it appears on the registration books maintained by the Paying Agent. Provided funds for their redemption are on deposit at the place of payment on the date fixed for redemption, all Bonds called for redemption shall cease to bear interest on such date, shall no longer be secured by the Indenture and shall not be deemed to be outstanding under the provisions of the Indenture.

The Owner of this Bond shall have no right to enforce the provisions of the Indenture or to take any action with respect to any Event of Default under the Indenture or to institute, appear in or defend any suit or other proceedings with respect to it, except as provided in the Indenture.

Modifications or alterations of the Indenture, or of any supplement to it, may be made only to the extent and in the circumstances permitted by the Indenture.

The Bonds are issuable as registered bonds in denominations of $5,000 and integral multiples of $5,000. Upon surrender for transfer or exchange of this Bond at the Paying Agent's designated corporate trust office, NVTA shall execute and the Paying Agent shall authenticate and deliver in the name of the transferee or transferees or Owner, as applicable, a new Bond or Bonds of like date, tenor and of any authorized denomination for the aggregate principal amount any such transferee or Owner is entitled to receive, subject in each case to such reasonable regulations as NVTA or the Paying Agent may prescribe. When presented for transfer, exchange, redemption or payment, this Bond must be accompanied by a written instrument or instruments of transfer or authorization for exchange, in form and substance reasonably satisfactory to NVTA and the Paying Agent, duly executed by the Owner or by his or her duly authorized attorney-in-fact or legal representative. Any such transfer or exchange shall be at NVTA's expense, except that the Paying Agent may charge the person requesting such transfer or exchange the amount of any tax or other governmental charge required to be paid with respect to it.

The Owner of this Bond shall be treated as the person exclusively entitled to payment of principal, premium, if any, and interest and the exercise of all other rights and powers of the Owner, except that interest payments shall be made to the person registered as Owner on the fifteenth day of the month preceding each interest payment date.

All acts, conditions and things required to happen, exist or be performed precedent to and in the issuance of this Bond have happened, exist and have been performed.
