2014 Annual Report Released and Available On-Line

The Authority has released its [2014 Annual Report](#). The 2014 Annual Report records the Authority's achievements and lays the foundation for future planning and financing of vital regional transportation projects. The report outlines NVTA's history and the regional collaboration required to develop the Authority's transportation funding program.

Balancing Investments and Looking Ahead

As the NVTA moves forward the Authority will identify and approve the next cycle of projects for Regional Revenue Funds on April 23, 2015. The Authority estimates that approximately \$351 million will be available to fund the FY2015-16 Two Year Program.

For more information about the Authority or to sign up to receive regular updates, visit the [NVTA website](#).

NVTA was created by the General Assembly on July 1, 2002, to offer a common voice for Northern Virginia on transportation and other issues that confront the region. The Authority is made up of nine jurisdictions including: the counties of Arlington, Fairfax, Loudoun and Prince William; as well as the cities of Alexandria, Fairfax, Falls Church, Manassas and Manassas Park. The Authority is responsible for updating Northern Virginia's long-range transportation plan, TransAction, and since 2014 manages approximately \$300 million annually in public funds for transportation projects designed to provide congestion relief throughout Northern Virginia.
