3.3.15	7.14.15	Town of Leesburg	Request for determination to use 30% funding for the Transportation Demand Management System and Emergency Evacuation Management System	30% funding can be used for this purpose	NVTA ED
9.22.15	10.6.15	Manassas Park	Request for determination to use 30% funding to meet the City's subsidy requirements PRTC and VRE.	This request may be consistent with the use of 30% funds as identified in the legislation.	NVTA ED
10.30.15	11.13.15	Falls Church	Request for determination to use 30% funds for roadbed reconstruction projects	This request may be consistent with the use of 30% funds as identified in the legislation.	NVTA ED

NORTHERN VIRGINIA TRANSPORTATION AUTHORITY

HB 2313 30% Funding Requests for Clarification

12.3.15	12.14.15	City of Fairfax	Request for determination to use 30% funds for the hiring of a transportation planner and modification of access to the Pickett Shopping Center	This request appears to be consistent with the use of 30% funds as identified in the legislation.	NVTA ED
1.27.16	2.8.16	Arlington	Request for determination to use 70% & 30% funds for land acquisition for the purchase of property for a transportation facility.	The request appears to be consistent with the use of 30% funds as identified in the legislation.	NVTA ED
2.5.16	2.10.16	City of Fairfax	Request for determination to use 30% funds to install street lights adjacent to an existing sidewalk.	The request appears to be consistent with the use of 30% funds as identified in the legislation.	NVTA ED
3.11.16	3.17.16	Manassas Park	Request for determination to use 30% fund for: <ul style="list-style-type: none"> • Writing various transportation related grants, such as VDOT's primary extension paving grant, VDOT Revenue Sharing Applications, CMAQ and RSTP grants; • Transportation project support for a variety of transportation projects including but not limited to the Euclid/Manassas Drive Intersection Project, the Safe Routes to School Project on Euclid Avenue, the Conner Drive Extension Project, The Denver Drive Culvert Project, the Manassas Drive Railroad Crossing Improvement Project, and other transportation related projects; • Project Management for the above and other VDOT Revenue Sharing Projects; and • Project Management for other transportation related needs. 	The request appears to be consistent with the use of 30% funds as identified in the legislation.	
3.29.16	3.31.16	Manassas	Clarification on the use of our 30% local funds for support of PRTC operations related to the VRE and local bus services. With the recent slump in fuel prices we are noting a significant reduction in the 2.1% fuel tax that goes to PRTC to fund their operations such as VRE and the local bus service, etc.	The request appears to be consistent with the use of 30% funds as identified in the legislation.
