**David F. Snyder** is Vice President, International Policy, for the Property Casualty Insurers Association of America (PCI) in which capacity he covers international and domestic insurance regulatory and trade issues. He represents PCI members before numerous international, federal and state legislative and regulatory bodies, having made presentations in Amman, Basel, Beijing, Buenos Aires and Paris, among others. He is a member of the U.S. delegation to the OECD's Insurance and Private Pensions Committee and chairs the governance working group of the Global Federation of Insurance Associations.

Mr. Snyder graduated Magna Cum Laude from Dickinson College and earned his law degree from the George Washington University Law School. He is admitted to law practice in three jurisdictions and received the Chartered Property and Casualty Underwriter designation. His state and federal government experience includes appellate and civil litigation as well as administrative law. He worked for the Commonwealth of Pennsylvania in the Insurance Department as legislative liaison and hearing officer, later as a Deputy Attorney General in Torts Litigation and finally as General Counsel of the Commerce Department.

Mr. Snyder is serving his sixth term as a **Falls Church, Va. City Council Member**, having served as mayor and vice mayor. He chairs the National Capital Region Emergency Preparedness Council, an umbrella group that helps set and assess regional emergency preparedness priorities, and has chaired Washington, DC metropolitan regional transportation and environmental boards. When he was recently chairman of the Metropolitan Washington Air Quality Committee, it was announced that the region had made significant progress in improving air quality and achieved compliance with a key EPA standard. He received the Metropolitan Washington Council of Governments regional leadership award in 2010. He is also President of the Virginia Transit Association. Mr. Snyder is currently the longest serving **Northern Virginia Transportation Authority** member, joining in 2003, and was elected Chairman of the Authority in 2004, serving two years in the position. He is currently Chairman of the Transportation Technology Committee.
