About the Northern Virginia Transportation Authority

The NVTA was created by the General Assembly on July 1, 2002, to offer a common voice for Northern Virginia on transportation issues confronting the region. The Authority is made up of nine jurisdictions including: the counties of Arlington, Fairfax, Loudoun and Prince William; as well as the cities of Alexandria, Fairfax, Falls Church, Manassas and Manassas Park. The Authority is responsible for updating Northern Virginia’s long-range transportation plan, TransAction, and since 2014 manages approximately \$365 million annually in public funds for transportation projects designed to provide congestion relief throughout Northern Virginia.
