TransAction Overview
Vision, Goals and Core Values

“Northern Virginia will plan for, and invest in, a safe, equitable, sustainable, and integrated multimodal transportation system that enhances quality of life, strengthens the economy, and builds resilience.”

Goals: What we want to achieve
- Enhance Mobility
- Increase Accessibility
- Improve Resiliency

Core Values: How we achieve the goals
- Equitable
- Sustainable
- Safety

Core Values are associated with multiple goals, objectives, and performance measures.
TransAction Plan Document & Project List

TransAction is a geographically and fiscally unconstrained, needs-based document. TransAction itself does not recommend or prioritize any projects or modes of transportation.

• **429** Total Projects
• **111** New projects
• Net increase of **77** projects
• Total estimated cost = **$75.7B**

• **26** Projects include elements outside of NoVA
  • Transit service to neighboring jurisdictions
  • Infrastructure improvements in other jurisdictions
  • Extraterritorial cost = **$30B**
Projects can be listed in up to 3 mode categories. The total is therefore greater than 429.
