Reference: Request to Reallocate Regional Surface Transportation Program (RSTP) funds for Fairfax County

Dear Mr. Lynch:

On September 11, 2008, the Northern Virginia Transportation Authority (NVTA) delegated the authority to approve requests to reallocate Congestion Mitigation and Air Quality (CMAQ) and Regional Surface Transportation Program (RSTP) funding between projects that were previously approved by the NVTA to the Regional Jurisdiction and Agency Coordinating Committee (RJACC). However, since the receiving projects are new, the Authority needs to approve the transfer requests before any funds can be reallocated.

Fairfax County requested a transfer of \$1,450,000 from Cinder bed Road Bikeway – ROW/CN (UPC 118128) to Cinder bed Road Bikeway – Design (UPC 106143).

This transfer will allocate funding to the appropriate phase, allowing the project design to continue without delays to the schedule.

On November 10, 2022, the Authority approved the requests noted above. Please take the necessary steps to reallocate these funds in the Transportation Improvement Program and the State Transportation Improvement Program. Thank you very much.

Sincerely,

Phyllis J. Randall
Chair
